The reading of the minutes of the August 12, 2008 meeting, which had previously been distributed, was dispensed with and upon motion duly made and seconded the minutes of said meeting were unanimously approved.

Next, Commissioner Santos presented a report regarding the Administrative Operations (AO) meeting held on September 3, 2008 which is summarized as follows:

- ◆ **Field Orders and Proposed Change Orders** – Field Orders were issued for the following projects: 9th District Police Station; Fire Station Engine Companies 18, 70, 102 and 121; Norwood Park Senior Satellite Center; Skinner Elementary School; Vehicle Maintenance Facility; and Westinghouse High School. The AO Committee accepted the report recommending approval of change orders for Fire Station Engine Company 18, \$13,608.70; Fire Station Engine Company 121, credit (\$36,214.00); and Southwest Vehicle Maintenance Facility, \$0.00 (Time Extension Only).
- ◆ **Report on Specialty Consultants** – The AO Committee accepted the Notice of Awards report to the following specialty consultants: Phase II Environmental Site Assessment (ESA) for Grand Crossing Branch Library, Camp Dresser McKee; Phase II ESA for Bouchet Elementary School, Environmental Protection Industries, Inc.; Phase II Remediation Supervision for Fire Station Engine Company 121, Carnow Conibear & Associates; Construction Material testing for Norwood Park Senior Satellite Center, American GeoEngineering Inc; Construction Material Testing for Taylor-Lauridsen Field House and Jesse Owens Park and Fieldhouse, Design Consulting Engineers; Surveying for Bouchet Elementary School, Tecma Associates, Inc.; and Surveying for Dunning Area Library, Environmental Design International, Inc..
- ◆ **Report on Pre-qualification of General Contractors for 23rd District Police Station and Parking Garage and Job Order Contracting (JOC) Facility Renovation Work** – The AO Committee accepted the reports recommending approval of pre-qualification of nine firms to submit bids for general construction work at the 23rd District Police Station and Parking Garage and 11 firms as eligible for inclusion in the pre-qualified bidder's list for Facility Renovation Work.
- ◆ **Report on Proposed Professional Services Appointments** – The AO Committee accepted the reports recommending approval of the following professional services appointments: GSG Material Testing, Inc., Construction Inspection and Material Testing for South Shore High School; Lohan Anderson, Design Architect for the Chicago Public Library Branch Library Program; and AT&T Data Comm, computer networking equipment for the 7th and 9th District Police Station Projects.
- ◆ **Report by Program Management Office (The Rise Group)** – The AO Committee reviewed the PMO Transition Report prepared by The Rise Group, dated September 3, 2008, along with charts summarizing actual/projected annual program costs, industry benchmarks for project management services and highlights and summary of PMO Scope of Services. The PMO Transition Report, which had been requested by the Board of Commissioners at the July 8, 2008 board meeting, included the Preliminary Program Summary Schedule, budget and schedule status of active projects, and Project Progress Report for each of PBC's 31 active projects. The PMO Transition

Report found that the overall condition of the PBC Capital Program is healthy and that all active projects are within budget.

The Chief Operating Officer reported that the PMO services to be performed by Rise in 2008 will be completed for an amount that will not exceed the unspent amounts budgeted under the predecessor PMO agreement.

Accordingly, the AO Committee recommends engaging The Rise Group for the full scope of PMO services. Maximum compensation for the period September 2008 through December 2009 will not exceed \$25,300,000.

- ◆ **Report on Proposed Amendments to Professional Services Agreements** - The AO Committee concurred with the recommendation to approve amendments to professional services agreements as summarized in the Proposed Professional Services Amendment Report attached as Exhibit "A".

The report of the Administrative Operations Committee was accepted.

Following consideration of the Administrative Operations Committee report, and upon motion duly made and seconded, the following resolution was adopted by the Board of Commissioners:
