- ◆ DeLoitte & Touche presented PBC's Basic Financial Statements for the Years Ended December 31, 2005 and 2004 along with a summary of Fiscal Year 2005 Final Audit Results. The Audit Committee was advised that the field work for the audit has been completed and that DeLoitte has rendered an unqualified, "clean" opinion for the years ended 2005 and 2004.
- ◆ Mr. Fink advised that PBC applies generally accepted accounting principles. He summarized various sections of the report including net assets and liabilities, revenues and expenses, and cash flows as presented in the Financial Statements.
- ◆ It was noted that several adjustments were recorded for 2005 and 2004 which were reportable but did not have any financial impact on PBC's operations. There was discussion regarding staff adjustments for PBC's Finance Department and the Committee recommended enhancements as necessary.
- ◆ DeLoitte provided a written summary of fraud responsibilities of the Audit Committee and PBC Management. Anti-fraud measures currently in effect were discussed. It was noted that an assessment of fraud risks will be a reportable condition in future years. Also, the status of the Management Letter was discussed.
