The Commission and the Consultant agree to look solely to each other with respect to the performance of the Agreement. Terms of one gender imply the other gender(s) unless the context clearly indicates otherwise. Use of the singular includes the plural and vice versa.

ARTICLE 4 – PROVISIONS FOR ENGAGEMENT

4.1 PERFORMANCE STANDARD. The Consultant represents that the Services required by and performed pursuant to this Agreement will proceed with efficiency, promptness and diligence and will be executed in a competent, thorough, and consistent manner in accordance with reasonable professional standards in the field consistent with that degree of skill and care ordinarily exercised by organizations

providing Key Personnel performing services of a scope, purpose, and magnitude comparable with the Services to be provided under this Agreement.

4.2 LICENSURE. The Consultant must ensure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. The Consultant must maintain current copies of any such licenses and provide these copies upon request by the Commission. Any review, approval, acceptance or payment for any of the Services by the Commission does not relieve the Consultant of its responsibility to render the Services and deliverables with the professional skill and care and technical accuracy required by the Agreement. This provision in no way limits the Commission's rights against the Consultant either under the Agreement, at law or in equity.

The Commission may at any time in writing notify the Consultant that the Commission will no longer accept performance of Services under this Agreement by one or more Key Personnel listed in the Agreement in Exhibit B. Such replacements are subject to the reasonable approval of the Commission. Consultant must request approval from the Commission prior to assigning Key Person or Persons using the Personnel Approval Form (Exhibit C to this Agreement).

4.8 NONDISCRIMINATION. In performing under this Agreement the Consultant will not discriminate against any worker, employee, applicant for employment, or any member of the public, because of race, color, creed, national origin, gender, age, or disability, or otherwise commit an unfair labor practice. The Consultant certifies that he/she is familiar with, and will comply with, all applicable provisions of the Civil Rights Act of 1964, 28 U.S.C. § 1447, 42 U.S.C. §§ 1971, 1975a-1975d, 2000a to 2000h-6 (1992); the Age Discrimination in Employment Act of 1967, 29 U.S.C. §§ 623-634 (1992); the Americans with Disabilities Act of 1990, 29 U.S.C. § 706, 42 U.S.C. §§ 12101-12213, 47 U.S.C. §§ 152, 221, 225, 611 (1992); 41 C.F.R. § 60 (1992); 41 C.F.R. § 60 (1992); reprinted in 42 U.S.C. 2000(e) note, as amended by Executive Order No. 11,375 32 Fed. The Consultant will further furnish such reports and information as may be requested by the Commission, the Illinois Department of Human

Relations, or any other administrative or governmental entity overseeing the enforcement, or administration of, or compliance with, the above mentioned laws and regulations.

4.9 EMPLOYMENT PROCEDURES; PREFERENCES AND COMPLIANCE. Salaries of employees of the Consultant, performing work under this Agreement, will be paid unconditionally, and not less often than once a month, without deduction or rebate on any account except such payroll deductions as are mandatory or permitted by applicable law or regulations. The Consultant certifies that he/she is familiar with, and will comply with, all applicable provisions of 820 ILCS 130/0.01 through 130/12 (Prevailing Wage Act), 30 ILCS 570/1 through 570/7 (Employment of Illinois Workers on Public Works Act) and 30 ILCS 560/0.01 through 560/7 (Public Works Preference Act). If, in the performance of this Agreement, any direct or indirect "kick-back" is made, as defined in any of the above mentioned laws and regulations, the Commission may withhold from the Consultant, out of payments due to the Consultant, an amount sufficient to pay any underpaid employees the difference between the salaries required to be paid under the law and this Agreement and the salaries actually paid such employees for the total number of hours worked. The amounts withheld may be disbursed by the Commission for and on account of the Consultant to the respective employees to whom they are due, as determined by the Commission in its sole discretion.

4.10 MBE and WBE CERTIFICATION. At the execution of this Agreement, Consultant shall provide a current certification designating the Consultant as a certified Minority Business Owned Enterprise of Women Owned Business Enterprise. Certification shall only be acceptable to the Commission if issued by the City of Chicago or County of Cook. Consultant acknowledges reviewing Exhibit D of this Agreement and requests for waivers shall be completed as outlined in Exhibit D.

4.11 RECORDS. The Consultant must maintain accurate and complete records of expenditures, costs and time incurred by the Consultant and by consultants engaged by the Consultant in connection with the Project and the Services. Such records will be maintained in accordance with recognized commercial accounting practices, as well as the requirement of the Local Records Act, 50 ILCS 205/1, et. seq. The Commission may examine such records at the Consultant's offices upon reasonable notice during normal business hours.

4.12 COMPLIANCE WITH LAWS. In performing its engagement under the Agreement, the Consultant must comply with all applicable federal, state and local laws, rules, and regulations.

4.13 AMENDMENTS TO THIS AGREEMENT. The Commission may from time to time request changes to the terms and Services of the Agreement. Such changes, including any increase or decrease in the amount of compensation and revisions to the scope or duration of the Services, which are mutually agreed upon by and between the Commission and Consultant, will be incorporated in a written amendment to the Agreement. The Commission will not be liable for any additional payment absent such written amendment.

4.14 REPRESENTATION AND COVENANT BY CONSULTANT. Neither the Consultant nor any affiliate of the Consultant is listed on any of the following lists maintained by the Office Foreign Assets Control of the U.S. Department of the Treasury, the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the User Agency or the Commission may not do business under any applicable law, rule, regulation, order or judgment: the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List and the Debarred List. For purposes of this subparagraph only, the term "affiliate," when used to indicate a relationship with a specified person or entity, means a person or entity that, directly or indirectly, through one or more intermediaries, controls, is controlled by or is under common control with such specified person or entity, and a person or entity shall be deemed to be controlled by another person or entity, if controlled in any manner whatsoever that results in control in fact by that other person or entity (or that other person or entity and any persons or

entities with whom that other person or entity is acting jointly or in concert), whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

4.15 **SUBCONTRACT TERMS AND CONDITIONS.** Consultant shall include a provision in any and all subcontracts that Consultant may enter into for the performance of the Services that states that the subcontractor shall comply with the terms and conditions of this Agreement in its performance of its portion of the Services. In addition, each subcontract for the performance of the Services shall provide that the Commission is a third-party beneficiary to the subcontract, and may enforce any of the subcontract terms including, but not limited to, those pertaining to standard of performance, indemnity and insurance. Nothing in this Agreement, nor any subcontract to this Agreement, shall state, imply or be construed to state or imply that the Commission or its User Agency are indemnitors or insurers of the Consultant or Consultant's subcontractors. Engagement of a sub-consultant or sub-contractor shall require the prior written approval of the Commission.

ARTICLE 5 - TERM AND COMPENSATION

5.1 **INITIAL TERM.** The initial term of this Agreement is for (2) years and shall commence on the 12th day of November, 2013 and expire on the 11th day of November, 2015 and subject to the provisions in this article.

5.1.1 The Commission may, at its sole option, amend this Contract to add on (1) successive (1) year term ("Additional Terms"). Unless otherwise stated in the Agreement, the same terms and conditions applicable in the Initial Term shall be applicable in the Additional Term(s). The Commission shall give Consultant thirty (30) days written notice of its intent to amend this Contract to add an Additional Term prior to each annual Additional Term. Each Additional Term of this Contract shall be deemed to constitute a separate contract, whose term shall not exceed one (1) year.

5.1.2 For the first (90) days of this Agreement, the Consultant shall provide Key Personnel (as approved by the Commission) calculated on a (40) hour work week. In the event the Commission determines that Key Personnel are not needed to provide the Services herein, the Commission shall notify the Consultant (30) days prior to the effective date of such reduction in personnel as provided in Section 4.7.

5.2 **TERMINATION BY THE COMMISSION.** The Commission has the right, at any time, to terminate this Agreement in whole or in part, with or without cause, by written notice given to the Consultant at least (30) days before the effective date of termination. So long as the Consultant is not in default under this Agreement at the time of termination, the Commission will pay the Consultant, in accordance with the terms of this Agreement, all compensation and reimbursements due to the Consultant for periods up to the effective date of termination. The Commission may exercise any right of set-off against amounts due to Consultant under this Section for amounts which the Commission believes in good faith are attributable to the Consultant's failure to properly perform in accordance with this Agreement.

5.3 **SUSPENSION BY THE COMMISSION.** The Commission also has the right, at any time and from time to time, with or without cause, to suspend the performance of the Consultant hereunder with respect to all or any part of the Services, by written notice given to the Consultant at least (15) days before the effective date of suspension. During the notice period the Consultant must wind down its Services. So long as the Consultant is not in default under this Agreement on the effective date of the suspension, the Commission will pay the Consultant, in accordance with the terms of this Agreement, all compensation and reimbursements due to the Consultant for periods up to the effective date of suspension.

5.3.1 During the period the Consultant's performance is suspended, the Consultant is not entitled to incur fees or bill the Commission, except for Consultant's time for participating in

substantive meetings concerning the Project (but not for meetings to discuss Consultant's invoices or claims). The Consultant may bill such time spent during a suspension only if the Consultant's participation is requested by the Commission and only for the time of one individual per meeting. Commission will pay for such time at the applicable hourly billing rate set forth in Exhibit B. Participation in meetings at the request of the Commission is not considered to be resumption of the Consultant's Services.

- 5.3.2 If the Consultant is required to resume its Services under this Agreement, the Commission will notify the Consultant in writing, giving the Consultant a reasonable period not to exceed (10) days to remobilize itself. The Consultant may bill for time spent on remobilization. The Commission will pay for such remobilization as is reasonable and billed at the hourly rate for one senior manager or less at the hourly billing rate set forth in Exhibit B. The number of days during which the suspension period lasted, including any remobilization time, will be added to the term of the Agreement set forth in Section 5.01 above, and the Consultant will re-commence its Services at the point they were suspended and may resume billing in accordance with the terms of the Agreement.

5.4 **EFFECT OF TERMINATION OR SUSPENSION.** Termination or suspension of this Agreement in whole or in part does not relieve the Consultant from liability for its performance of any obligation under this Agreement that was performed or was to have been performed by the Consultant on or before the effective date of termination or suspension. In no event will the Commission be liable to the Consultant for any loss, cost or damage, including lost profits, which the Consultant or any other party may sustain by reason of the Commission terminating or suspending this Agreement in accordance with the provisions of this Agreement.

5.5 **FORCE MAJEURE.** Neither of the parties will be liable to the other for any delay or failure in performance hereunder due to causes which are beyond the control of the party unable to perform. The term "force majeure" means an extraordinary event or effect that the parties could not have anticipated or controlled and that renders performance impossible or impracticable for the duration of the event or effect. Such events or effects include but are not limited to: extraordinary acts of nature, such as tornadoes; or of people, such as acts of terrorism; or of governments, such as imposition of martial law. If a force majeure occurs, the party delayed or unable to perform will give prompt notice to the other party, and the Commission may, at any time during the continuation of the force majeure event, elect to suspend the performance of the Consultant under the Agreement for the duration of the force majeure. The Commission will not be obligated to pay for the Services to the extent and for the duration that performance of the Services is delayed or prevented by force majeure, but, provided the Consultant is not in default of any obligation of the Consultant under the Agreement, the Commission will pay to the Consultant, according to the terms of the Agreement, all compensation and reimbursements due to the Consultant for periods up to the effective date of suspension.

5.6 **COMPENSATION AND REIMBURSEMENT.** The Commission will compensate the Consultant for the Services in the amount and manner set forth in Exhibit A.

ARTICLE 6 - RIGHTS AND OBLIGATIONS OF COMMISSION

6.1 **GENERAL AND SPECIFIC.** In connection with the administration of the Commission and the performance of the Agreement by the Consultant, the Commission has the following rights and obligations, in addition to those provided elsewhere in the Agreement:

- 6.1.1 **INFORMATION.** The Commission will provide the Consultant all information reasonably requested and required concerning the Commission's requirements for the Services.

6.1.2 REVIEW OF DOCUMENTS. Subject to the provisions of the Agreement, the Commission will make reasonable efforts to examine documents submitted by the Consultant and render decisions pertaining to them with reasonable promptness.

6.1.3 INDEMNIFICATION BY THIRD PARTIES. The Commission shall require by appropriate provision in each contract entered into after the date of this Agreement, that the consultant or contractor thereunder defend, indemnify, keep and save harmless the Commission, the User Agency and the Consultant, and each of them, and their respective commissioners, board members, officers, officials and employees, and that each consultant or contractor thereunder shall purchase and maintain such insurance as the Commission may require.

6.2 AUDITS. The Commission has the right to abstract and audit the books of the Consultant and its subcontractors on all subjects relating any of the Commission's project and/or the Services.

6.3 OWNERSHIP OF DOCUMENTS. All documents, data, studies and reports prepared by the Consultant or any party engaged by the Consultant, pertaining to the Services will be the property of the Commission. Consultant shall provide the Commission with opportunity to review all such documents and shall provide copies to the Commission upon written request.

ARTICLE 7 - INDEMNIFICATION AND INSURANCE

7.1 PROFESSIONAL INDEMNITY. For claims alleging professional negligence, the Consultant must defend, indemnify and hold the Commission and the User Agency and their respective commissioners, board members, officers, officials and employees (hereafter the Indemnified Parties) free and harmless from and against all claims, demands, suits, losses, costs and expenses, including the fees and expenses of attorneys, court costs and expert's fees, that may arise out of the Consultant's negligent acts, errors and omissions and misconduct in the Consultant's performance under this agreement or the performance of any Subcontractor retained by the Consultant in connection with this agreement.

7.1.1 General Indemnity. For all other claims, the Consultant must protect, defend, indemnify, hold the Commission and the User Agency and their respective commissioners, board members, officers, officials and employees (hereafter the Indemnified Parties) free and harmless from and against all claims, demands, suits, losses, costs and expenses, including the fees and expenses of attorneys, court costs and expert's fees, that may arise out of or be based on any injury to persons or property that is, or is claimed to be, the result of the Consultant's performance under this agreement or any Subcontractor retained by the Consultant in connection with this agreement.

7.1.2 The indemnification obligations provided in this Article VII will be effective to the maximum extent permitted by law. This indemnity extends to all legal costs, including, without limitation: attorney fees, costs, liens, judgments, settlements, penalties, professional fees or other expenses incurred by the Indemnified Party(ies), including but not limited to reasonable settlement of such claims. This indemnification is not limited by any amount of insurance required under this Contract. Further, the indemnity contained in this section will survive the expiration or termination of this Contract. For claims subject to the general indemnity, the Consultant shall be solely responsible for the defense of any and all claims, demands, or suits against the Indemnified Parties, including without limitation, claims by an employee, subcontractor, agents or servants of the Consultant even though the claimant may allege that the Indemnified Parties were in charge of the Services or allege negligence on the part of the Indemnified Parties. The Indemnified Party/Parties will have the right, at its sole option, to participate in the defense of any such suit, without relieving the Consultant of its obligations hereunder.

7.1.3 To the extent permissible by law, the Consultant waives any limits to the amount of its obligations to indemnify or contribute to any sums due pursuant to Consultant's

obligations. Notwithstanding the forgoing, nothing in this Article VIII obligates the Consultant to indemnify an Indemnified Party for the Indemnified Party's own negligence or willful misconduct. Defense costs shall be allocated on a comparable fault basis.

7.2 INSURANCE. The Consultant will purchase and maintain at all times during the performance of Services, for the benefit of the Commission, the User Agency and the Consultant, insurance coverage which will insure the Commission, the User Agency and the Consultant as set forth in Exhibit E to this Agreement.

ARTICLE 8 - DEFAULT

8.1 EVENTS OF DEFAULT. Each of the following occurrences constitutes an Event of Default by the Consultant under the Agreement:

8.1.1 The material failure or refusal on the part of the Consultant to perform any obligation or agreement on the part of the Consultant contained in the Agreement, which failure or refusal continues for a period of 10 days (or such longer period as the Commission, in its sole discretion, may determine if such failure is not capable of being cured within such 10-day period) after the date on which written notice of it has been given to the Consultant by the Commission; or

8.1.2 Intentionally Omitted.

8.1.3 The Consultant becomes insolvent or ceases doing business as a going concern, or makes an assignment for the benefit of creditors, or generally fails to pay, or admits in writing its inability to pay, its debts as they become due, or files a voluntary petition in bankruptcy, or is adjudicated a bankrupt or an insolvent, or files a petition seeking for itself any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar arrangement under any present or future statute, law or regulation relating to bankruptcy or insolvency, or files an answer admitting the material allegations of a petition filed against it in any such proceeding, or applies for, consents to or acquiesces in the appointment of a trustee, receiver, liquidator or other custodian of it or of all or any substantial part of its assets or properties, or if it or its principals will take any action in furtherance of any of the foregoing; or

8.1.4 Any proceeding is commenced against the Consultant seeking reorganization, arrangement, readjustment, liquidation, dissolution or similar relief under any present or future statute, law or regulation relating to bankruptcy which is not vacated, stayed, discharged, bonded or dismissed within 60 days following commencement of the proceeding, or appointment of, without the Consultant's consent or acquiescence, any trustee, receiver, liquidator or other custodian of Consultant or of all or any substantial part of the Consultant's assets and properties, and such appointment will not have been vacated, stayed, discharged, bonded or otherwise dismissed within 60 days of the appointment.

8.1.5 The Consultant's material failure to perform any of its obligations under the Agreement, which failure or refusal continues for a period of 10 days (or such longer period as the Commission, in its sole discretion, may determine if such failure is not capable of being cured within such 10-day period) after the date on which written notice of it has been given to the Consultant by the Commission, including any of the following:

.1 Intentionally Omitted;

.2 Failure to properly perform the Services or inability to perform the Services as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors; or

- .3 Failure to promptly re-perform within a reasonable time the Services that were rejected as erroneous or unsatisfactory per the terms of this Agreement; or
- .4 Discontinuance of the Services for reasons within the Consultant's reasonable control; or
- .5 Failure to comply with a material term of the Agreement, including the provisions concerning insurance and nondiscrimination.
- .6 Any change in ownership or control of the Consultant (as defined in Article XI) without prior written approval of the Executive Director, which approval the Executive Director will not unreasonably withhold.

8.1.6 The Consultant's default under any other agreement it presently may have or may enter into with the Commission, the City of Chicago, the Chicago Public Schools, the County of Cook, the Metropolitan Water Reclamation District of Greater Chicago, or the Chicago Park District. Consultant acknowledges that in event of a default under this Agreement with the Commission may also be deemed a default under any such other agreements.

8.1.7 If an Event of Default occurs and continues, then the Commission may exercise any right, power or remedy permitted to it by law or in equity and has, in particular, without limiting the generality of the foregoing, the right to terminate the Agreement upon ten (10) days written notice to the Consultant, in which event the Commission has no further obligations hereunder or liability to the Consultant except as to payment for Services actually received and accepted by the Commission through the effective date of termination, subject to set off of amounts which the Commission in good faith believes are attributable to the Consultant for failure to properly perform its services in accordance with this Agreement. No courses of dealing on the part of the Commission or delay or failure on the part of the Commission to exercise any right will operate as a waiver of such right or otherwise prejudice the Commission's rights, powers or remedies.

8.2 REMEDIES NOT EXCLUSIVE. No right or remedy in the Agreement conferred upon or reserved to the Commission or the Consultant is exclusive of any right or remedy provided or permitted under this Agreement or by law or equity, but each is cumulative of every other right or remedy given in the Agreement or now or hereafter existing at law or in equity or by statute or otherwise, and may be enforced concurrently or from time to time.

ARTICLE 9 - CLAIMS AND DISPUTES

9.1 GENERAL. All Claims arising under, related to or in connection with the terms of this Agreement or its interpretation, whether involving law or fact or both, including questions concerning compensation, and all claims for alleged breach of contract will be resolved in accordance with the following dispute resolution processes.

9.2 DISPUTE RESOLUTION. The Commission and Consultant agree to cooperate in resolving any claims, controversies or disputes (collectively, "Dispute" or "Disputes") that may arise out of or relate to the Agreement, the breach thereof, or the Services.

9.3 CONTINUING SERVICES. The Commission and Consultant agree that the Services will not be stopped or slowed in any way during the pendency of any Dispute, provided that all monies owed for the Services not in dispute are timely paid pursuant to this Agreement. Consultant shall continue to perform the Services pending final resolution or determination thereof, unless requested by the Commission to suspend the Services, provided that the Commission continues to pay Consultant for all Services not subject to a Dispute.

9.4 STEP NEGOTIATIONS. In the event a Dispute is not resolved or a party asserts a demand in writing to the other party claiming that party has breached this Agreement, the parties shall attempt in good faith to resolve the Dispute promptly by negotiation, as follows. Any party may give the other party written notice of any Dispute not resolved in the normal course of business. The Commission and Consultant agree to meet at a mutually acceptable time and place within ten (10) days after delivery of such notice, and thereafter as often as reasonably necessary, to attempt to resolve the Dispute. If a negotiator intends to be accompanied at a meeting by an attorney, the other negotiator shall be given at least three (3) working days' notice and may also be accompanied by an attorney. All negotiations pursuant to this clause are confidential and shall be treated as compromise and settlement negotiations for purposes of all rules of evidence. If the matter is not resolved within thirty (30) days from the written notice, or if no meeting takes place within fifteen (15) days after such notice, either party may initiate mediation as provided herein.

9.5 MEDIATION. All Disputes that cannot be resolved by the parties under Section 9.4 shall initially be submitted to mediation in Chicago, Illinois before a mediator that is agreeable to both parties, and which is conducted according to the Commercial Arbitration Rules and Mediation Procedures of the American Arbitration Association then in effect. Submission to mediation is a precondition to arbitration as set forth below. The parties will not attempt to subpoena or otherwise use as a witness any person who serves as a mediator, will assert no claims against the mediator as a result of the mediation, and will hold the mediator harmless from claims by third parties arising out of or relating to the mediation provided for in this Section. If the Dispute is not resolved by the earlier of thirty (30) days after the last mediation session or ninety (90) days after the mediation demand, either party may initiate arbitration as follows.

9.6 ARBITRATION. All Disputes not resolved under Sections 9.4 or 9.5 shall be decided by confidential, binding arbitration in Chicago, Illinois and in accordance with the Commercial Arbitration Rules and Mediation Procedures of the American Arbitration Association ("AAA") then in effect. Notice of demand for arbitration must be filed in writing with the other parties to this Agreement and with the AAA. The demand must be made within a reasonable time subsequent to the failure of mediation to achieve resolution of the Dispute.

9.6.1 Each party shall be entitled to depose no more than three fact witnesses for no longer than three hours each. Each party shall be entitled to depose any and all retained expert opinion witnesses for no longer than four hours each. Each party shall produce to the other all non-privileged records relating to the Work that have relevant information or are reasonably calculated to lead to the discovery of relevant information relating to the Dispute. The Arbitrator shall resolve all discovery disputes. The Arbitrator may modify these discovery limitations for good cause shown.

9.6.2 The Arbitrator shall have the authority to order specific performance, including, without limitation, interim injunctive relief prior to the Dispute being resolved. The Arbitrator shall have the authority to decide all issues concerning the fulfillment of any condition precedent to the arbitrability of a claim or defense, the amount of damages to be awarded, if any and the arbitrability of the issues presented. The Arbitrator is not empowered to award damages in excess of compensatory damages, such as punitive damages. Notwithstanding anything to the contrary, the term "Arbitrator" as used herein shall consist of one arbitrator, regardless of the size of the claim or counterclaim. An arbitrator eligible to hear the Dispute shall have at least five years of experience as an arbitrator with the AAA and/or another neutral organization, be familiar with commercial practices, and be a practicing lawyer.

9.6.3 At either party's option, third parties who are subject to a valid arbitration agreement with the party seeking joinder may be joined in the arbitration by consolidation, joinder or otherwise.

9.6.4 The award of the Arbitrator shall be enforceable in any court of competent jurisdiction in Cook County, Illinois, and each party consents and submits to the jurisdiction of such court for purposes of such action.

9.7 **CONSULTANT SELF-HELP PROHIBITED.** The Consultant must never withhold performance of its Services by, for example, refusing to review and approve appropriately submitted invoices or pay applications, timely to make recommendations on general contractor claims, or promptly to issue other appropriate approvals needed by others where doing so would potentially harm third parties, such as subconsultants, the general contractor, or its subcontractors. Doing so to gain potential leverage in negotiating or settling the Consultant's claims against the Commission or User Agency will constitute bad faith on the Consultant's part. This provision is not intended to prohibit the Consultant from exercising its well-considered professional judgment, however, in carrying out its duties and responsibilities under the Agreement, and is not intended to prevent the Consultant from exercising the rights and remedies available to it by law or under this Agreement.

ARTICLE 10 - CONFIDENTIALITY

All of the reports, information, or data prepared or assembled by the Consultant under the Agreement are confidential, and except as may be necessary to perform its services, as required by law, or as necessary to establish a claim or defense in any adjudicatory or dispute resolution proceeding, the Consultant must not make such reports, information or data available to any party without the prior written approval of the Commission, such approval not to be unreasonably withheld. In addition, the Consultant must not, without the prior written consent of the Commission, prepare or distribute any news releases, articles, brochures, advertisements or other materials concerning the Agreement, the Project or the Services. If the Consultant is served with a subpoena requiring the production of documents or information which is deemed confidential, the Consultant will promptly notify the Commission in writing and provide a copy of the subpoena to the Commission in sufficient time for the Commission to attempt to quash, or take other action in relation to, the subpoena.

ARTICLE 11 - ASSIGNMENT

The Consultant acknowledges that the Commission is induced to enter into this Agreement by the personal qualifications of the principals, staff and employees of the Consultant and, therefore, that neither the Agreement nor any right or obligation in the Agreement may be assigned by the Consultant, in whole or in part, without the prior written approval of the Commission. For purposes of this paragraph, if the Consultant undergoes a change in control, the change in control is deemed an assignment of the Agreement; a change in control is defined as a transfer of more than 50% of the equity ownership of the Consultant during any 12-month period. In the event of an assignment by the Consultant without the prior written approval of the Commission, the Commission will have the right to immediately terminate the Agreement without fault or responsibility. The Consultant further acknowledges that the Consultant represented to the Commission the availability of certain members of the Consultant's staff who will be assigned to Project; therefore, in the event of the unavailability of such members for any reason, the Consultant must so notify the Commission in writing, and must assign other qualified members of the Consultant's staff, as approved by the Commission, to the Project.

ARTICLE 12 - CRIMINAL AND BACKGROUND CHECKS

12.1 **GENERAL.** If required by the Commission, this Article shall apply to all proposed Key Personnel. Generally, the Commission anticipates criminal and background checks to be performed on those individuals of the Consultant (and subconsultants) who has or will have direct contact with children on a regular and continuing basis in connection with performance of any Services pursuant to this Agreement. The Consultant shall conduct all criminal history and background checks required by law. All required

checks must be completed *prior to* the Consultant submitting a Personnel Approval Form to the Commission.

12.2 The Consultant SHALL:

12.2.1 Verify the identity of all individuals subject to criminal and background checks by viewing a current government issued picture identification;

12.2.2 Conduct Child Abuse Registry checks in the state of Illinois and all states of residency in the past five (5) years;

12.2.3 Conduct Criminal History checks with the state of Illinois and all states of residency in the last five (5) years;

12.2.4 Review Results of Criminal and Child Abuse Background Checks and take appropriate action.

12.3 In the event a criminal history or background check required herein produces any record concerning the subject of a check that would be a ground for denial of his/her ability to provide services and/or perform activities pursuant to this Agreement and the Consultant chooses to retain such person(s), that decision may be considered a material breach of this Contract.

- (2) Each invoice must be supported with such reasonable detail and data as the Commission may require, including detail and data related to Subconsultant costs. In accordance with the terms of the Agreement, the Consultant must maintain complete documentation of all costs incurred for review and audit by the Commission or its designated audit representative(s). Each invoice must be submitted in the format directed by the Commission. Invoices must be accompanied by a progress report in a format acceptable to the Commission. Such progress report must identify any variances from budget or schedule and explain the reasons for such variances.

EXHIBIT D

**SPECIAL CONDITIONS REGARDING THE UTILIZATION OF
MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES
FOR PROFESSIONAL SERVICES**

1. Policy Statement

- a. It is the policy of the Commission to ensure competitive business opportunities for MBE and WBE firms in the performance of Contracts, to prohibit discrimination in the award of or participation in Contracts, and to abolish arbitrary barriers to full participation in Contracts by all persons, regardless of race, sex or ethnicity. Therefore, during the performance of this Contract, the Consultant must agree that it will not discriminate against any person or business on the basis of race, color, religion, ancestry, age, marital status, physical or mental handicap, unfavorable discharge from military service, parental status, sexual orientation, national origin or sex, in the solicitation or the purchase of goods and services or the subcontracting of work in the performance in this Contract.
- b. The Commission requires the Consultant also agree to take affirmative action to ensure that MBE and WBE firms have the maximum opportunity to compete for and perform subcontracts with respect to this Contract.
- c. The Commission requires the Consultant to notify MBE and WBE firms, utilized on this contract, about opportunities on contracts without affirmative action goals.

2. Aspirational Goals

- a. Upon the effective date of these Special Conditions, the bi-annual aspirational goals are to award 25% of the annual dollar value of all Commission Construction Contracts to MBEs and 5% of the annual dollar value of all Commission Construction Contracts to WBEs.
- b. Further, the Consultant must agree to use its best efforts to include MBE and WBE firms in any Contract modification work that increases the Contract value by 10% of the initial Contract value or \$50,000, whichever is less. Where the proposed contract modification involves work which can be performed by MBEs and WBEs already performing work on the contract such MBEs and WBEs will participate in such work specified in the contract modification.
- c. Failure to carry out the commitments and policies set forth in this Program constitute a material breach of contract and may result in termination of the Consultant or such other remedy, as the Commission deems appropriate.

3. Definitions

- a. For purposes of this Special Condition, the following definitions applies:
 - i. "Certified Minority Business Enterprise" means a person or entity granted certification by the City of Chicago or County of Cook.
 - ii. "Certified Women's Business Enterprise" means a person or entity granted certification by the City of Chicago or County of Cook.
 - iii. "Professional Service Contract" means a contract for professional services of any type.
 - iv. "Contract Specific Goals" means the subcontracting goals for MBE and WBE participation established for a particular contract based upon the availability of MBEs and WBEs to perform and anticipated scope of work of the contract and the Commission's progress towards meeting the aspirational goals.

- v. "Consultant" means any person or business entity that seeks to enter into a Professional Services Contract with the Commission and includes all partners, affiliates and Joint Ventures of such person or entity.
- vi. "Executive Director" means the Executive Director of the Commission or his duly designated representative as appointed in writing.
- vii. "Good faith efforts" means actions undertaken by a Consultant to achieve a Contract Specific Goal that by their scope, intensity and appropriateness to the objective can reasonably be expected to fulfill the Program's requirements.
- viii. "Joint Venture" means an association of two or more persons or entities or any combination of two or more business enterprises and persons numbering two or more, proposing to perform a single for-profit business enterprise, in which each Joint Venture partner contributes property, capital, efforts, skill and knowledge, and in which the MBE or WBE is responsible for a distinct, clearly-defined portion of the work of the contract and whose share in the capital contribution, control, management, risks and profits of the Joint Venture is equal to its ownership interest. Joint Ventures must have an agreement in writing specifying the terms and conditions of the relationships between the parties and their relationship and responsibilities to the contract.
- ix. "Program" means the minority- and women-owned business enterprise professional service procurement program established in this special condition.

4. Determining MBE/WBE Utilization

The methodology for determining MBE and WBE utilization will be determined for purposes of analysis with respect to this contract as follows:

- a. The total dollar value of the contract awarded to the certified MBE or WBE firm will be credited to such participation. Only minority business participation may be counted toward MBE participation and only women business participation may be counted toward WBE participation.
- b. The total dollar value of a contract with a firm owned and controlled by minority women is counted toward either the MBE or WBE goal, but not both. The Consultant employing the firm may choose the goal to which the contract value is applied. Various work done by one and the same subconsultant will be considered, for the purpose of this principle, as work effectively done under one subcontract only, which subconsultant may be counted toward only one of the goals, not toward both.
- c. A Consultant may count toward its MBE or WBE goal the portion of the total dollar value of a contract with an eligible Joint Venture equal to the percentage of the ownership and control of the MBE or WBE partner in the Joint Venture. A Joint Venture seeking to be credited for MBE participation may be formed among certified MBE and WBE firms, or between certified MBE and WBE firms and a non-MBE/WBE firm. A Joint Venture satisfies the eligibility standards of this Program if the certified MBE or WBE participant of the Joint Venture:
 - i. Shares in the ownership, control, management responsibilities, risks and profits of the Joint Venture; and
 - ii. Is responsible for a clearly defined portion of work to be performed in proportion to the MBE or WBE ownership percentage.
- d. A Consultant may count toward its MBE and WBE goals only expenditures to firms that perform a commercially useful function in the work of a contract. A firm is considered to perform a commercially-useful function when it is responsible for execution of a distinct element of the work of a contract and carries out its responsibilities by actually performing, managing, and supervising the work involved. To determine whether a firm is performing a commercially useful function, the Commission will evaluate the amount of work subcontracted, industry practices and other relevant factors.

- e. Consistent with normal industry practices, a MBE or WBE firm may enter into subcontracts. If a MBE or WBE Consultant subcontracts a significantly greater portion of the work of a contract than would be expected on the basis of normal industry practices, the MBE or WBE will be rebuttably presumed not to be performing a commercially-useful function.
- f. A Consultant may count toward its goals expenditures to MBE or WBE manufacturers (i.e., suppliers that produce goods from raw materials or substantially alters them before resale).
- g. A Consultant may count toward its goals expenditures to MBE or WBE suppliers provided that the supplier performs a commercially useful function in the supply process. Expenditures to suppliers will only be counted if the supplies are sold to the Consultant or subconsultant that installs those supplies in the Work.

5. Submission of Bid Proposals

- a. The following schedules and documents constitute the Bidder's MBE/WBE compliance proposal and must be submitted at the time of the bid or proposal or within such extended period as provided in Article 23.
 - i. Evidence of Certification: Affidavit of MBE/WBE. A copy of each proposed MBE and WBE firm's Letter of Certification from the City of Chicago, Department of Procurement Services or the County of Cook must be submitted.
 - ii. Schedule B: Affidavit of MBE/Non-MBE or WBE/Non-WBE Joint Ventures. Where the Bidder's MBE/WBE compliance proposal includes participation of any MBE or WBE as a Joint Venture participant, the Bidder must submit a "Schedule B: Affidavit of MBE/Non-MBE or WBE/Non-WBE Joint Venture" with an attached copy of the Joint Venture agreement proposed among the parties. The Schedule B and the Joint Venture agreement must clearly evidence that the MBE or WBE participant will be responsible for a clearly defined portion of the work to be performed and that the MBE or WBE firm's responsibilities are in proportion with its ownership percentage.
 - iii. Schedule C: Letter of Intent to Perform as a Subconsultant, Subconsultant, or Material Supplier, Schedule C, executed by the MBE/WBE firm (or Joint Venture Subconsultant) must be submitted by the Bidder for each MBE/WBE included on the Schedule D. Schedule C must accurately detail the work to be performed by the MBE or WBE firm and the agreed rates and prices to be paid.
 - iv. Schedule D: Affidavit of Prime Consultant Regarding MBE or WBE Utilization. A completed Schedule D committing to the utilization of each listed MBE or WBE firm. Unless the Bidder has submitted a completed request for a waiver of participation by MBE/WBE firms (See Request for Waiver procedures in Section 23.01.10), the Bidder must include the specific dollar amount of participation of each MBE/WBE firm listed on its Schedule D. The total dollar commitment to proposed MBE firms must at least equal the MBE goal, and the total dollar commitment to proposed WBE firms must at least equal the WBE goal. Bidders are responsible for calculating the dollar equivalent of MBE or WBE utilization as percentages of their total base bid.
- b. The submittals must have all blank spaces on the Schedule pages applicable to the contract correctly filled in. Agreements between a Bidder and a MBE/WBE in which the MBE/WBE promises not to provide subcontracting quotations to other Bidders are prohibited.

6. Evaluation of Compliance Proposals

- a. During the period between bid opening and contract award, the Bidder's MBE/WBE compliance proposal will be evaluated by the Commission. The Bidder agrees to provide, upon request, earnest and prompt cooperation to the Executive Director or his designee in submitting to interviews that may be necessary, in allowing entry to places of business, in providing further documentation, or in soliciting the cooperation of a proposed MBE or WBE firm in

providing such assistance. A bid may be treated as non-responsive by reason of the determination that the Bidder's proposal did not contain a sufficient level of Certified MBE or WBE participation, that the Bidder was unresponsive or uncooperative when asked for further information relative to the proposal, or that false statements were made in the Schedules.

- b. If the Commission's review of a Bidder's proposal concludes that the MBE or WBE proposal was deficient, the Commission will promptly notify the Bidder of the apparent deficiency and instruct the Bidder to submit (within 3 business days of such notice given by the Commission) a modification of the MBE or WBE Proposal, in proper format, which remedies the deficiencies cited. Failure to correct all deficiencies cited by the Commission will be cause for rejection of the Bidder's proposal as non-responsive.
- c. Bidders will not be permitted to modify their MBE/WBE compliance proposal except insofar as directed to do so by the Commission. Therefore, all terms and conditions stipulated for prospective MBE and WBE subconsultants or suppliers should be satisfactorily negotiated prior to the submission to the Commission of the Bidder's MBE/WBE compliance proposal with the bid. If circumstances should arise, however, where a proposed MBE/WBE is no longer available, the process described in Section 23.01 should be followed.
- d. If the Compliance Proposal includes participation by material suppliers, the PBC will request copies of the offers from such suppliers. The offers must be furnished to the PBC within three (3) business days of the bidder's receipt of the request for such offers from the PBC. The PBC may make such request by electronic mail. The offers must specify: (i) the particular materials, equipment and/or supplies that will be furnished; (ii) the supplier's price for each of the items; (iii) the total price of the items to be furnished by the supplier, (iv) the supplier's source for the items (e.g., manufacturer, wholesaler) and (v) the subconsultant that the supplies will be purchased by.

7. Request for Waiver

- a. If a Bidder is unable to identify qualified MBE and WBE firms to perform sufficient work to fulfill the MBE or WBE percentage goals for this Contract, the bid or proposal must include a written request for waiver. A request for waiver must be sent to the Executive Director and must set forth the Bidder's inability to obtain sufficient MBE and WBE firms notwithstanding good faith attempts to achieve such participation.
- b. Good Faith efforts to achieve participation include but are not limited to:
 - i. Attendance at the Pre-bid conference;
 - ii. The Bidder's general affirmative action policies regarding the utilization of MBE and WBE firms, plus a description of the methods used to carry out those policies;
 - iii. Advertisement in trade association newsletters and minority and woman-oriented and general circulation media for specific sub-bids;
 - iv. Timely notification of specific sub-bids to minority and woman Consultant assistance agencies and associations;
 - v. Description of direct negotiations with MBE and WBE firms for specific sub-bids, including:
 - a. The name, address and telephone number of MBE and WBE firms contacted;
 - b. A description of the information provided to MBE and WBE firms regarding the portions of the work to be performed; and
 - c. The reasons why additional MBE and WBE firms were not obtained in spite of negotiations.
 - vi. A statement of the efforts made to select portions of the work proposed to be performed by MBE and WBE firms (such as sub-supplier, transport, engineering, distribution, or any other roles contributing to production

and delivery as specified in the contract) in order to increase the likelihood of achieving sub participation.

- vii. As to each MBE and WBE contacted which the Bidder considers to be not qualified, a detailed statement of the reasons for the Bidder's conclusion.
 - viii. Efforts made by the Bidder to expand its search for MBE and/or WBE firms beyond usual geographic boundaries.
 - ix. General efforts made to assist MBE and WBE firms to overcome participation barriers.
- c. The Executive Director, after review and evaluation of the request provided by the Bidder, may grant a waiver request upon the determination that:
- i. Sufficient qualified MBE and/or WBE firms capable of providing the goods or services required by the contract are unavailable despite the good faith efforts of the Bidder;
 - ii. The price(s) quoted by potential MBE and/or WBE firms for goods or services is above competitive levels to an extent unwarranted by any increased cost of doing business attributable to the present effects of disadvantage or discrimination.

8. Failure To Achieve Goals

- a. If the Consultant cannot achieve the contract specific goals, as the Project proceeds, it must have documented its good faith efforts to do so. In determining whether the Consultant has made such good faith efforts, the performance of other Consultants in meeting the goals may be considered. The Executive Director or his designee shall consider, at a minimum, the Consultant's efforts to do the following:
- i. Soliciting through reasonable and available means the interest of MBEs or WBEs that Provide interested MBEs or WBEs with adequate information about the plans, specifications and requirements of the contract, including addenda, in a timely manner to assist them in responding to the solicitation.
 - ii. Provide interested MBEs or WBEs with adequate information about the plans, specifications and requirements of the contract, including addenda, in a timely manner to assist them in responding to the solicitation.
 - iii. Negotiating in good faith with interested MBEs or WBEs that have submitted bids. Documentation of negotiation must include the names, addresses and telephone numbers of MBEs or WBEs that were solicited; the date of each such solicitation; a description of the information provided regarding the plans and specifications for the work selected for subcontracting; and evidence as to why agreements could not be reached with MBEs or WBEs to perform the work. That there may be some additional costs involved in solicitation and using MBEs and WBEs is not a sufficient reason for a Consultant's failure to meet the goals, as long as such costs are reasonable.
 - iv. Not rejecting MBEs or WBEs as being unqualified without sound reasons based on the thorough investigation of a their capabilities. The MBEs' or WBEs' standing within its industry, membership in specific groups, organizations, or associations and political or social affiliations are not legitimate cases for rejecting or not soliciting bids to meet the goals.
 - v. Making a portion of the work available to MBE or WBE subconsultants and suppliers and to select those portions of the work or material consistent with the available MBE or WBE subconsultants and suppliers, so as to facilitate meeting the goals.

- vi. Making good faith efforts despite the ability or desire of a Consultant to perform the work of a contract with its own organization. A Consultant that desires to self-perform the work of a contract must demonstrate good faith efforts unless the goals have been met.
 - vii. Selecting portions of the work to be performed by MBEs or WBEs in order to increase the likelihood that the goals will be met. This includes, where appropriate, breaking out contract work items into economically feasible units to facilitate MBE or WBE participation even when the Contract might otherwise prefer to perform these items with its own forces.
 - viii. Making efforts to assist interested MBEs or WBEs in obtaining bonding lines of credit or insurance as required by the Commission or Consultant.
 - ix. Making efforts to assist interested MBEs or WBEs in obtaining necessary equipment, supplies, materials or related assistance or services, including participation in a mentor-protégée program; and
 - x. Effectively using the services of the Commission; minority or women community organizations; minority or women Consultants' groups; local, state and federal minority or women business assistance offices; and other organizations to provide assistance in the recruitment and placement of MBEs or WBEs.
- b. In the event the Public Building Commission determines that the Consultant did not make a good faith effort to achieve the goals, the Consultant may file a dispute to the Executive Director as provided in Article XI of the Standard Terms and Conditions.

9. Reporting and Record-Keeping Requirements

- a. The Consultant, within 5 working days of contract award, must execute a formal subcontract or purchase order in compliance with the terms of the Consultant's bid proposal and MBE/WBE assurances, and submit to the Commission a copy of the MBE and WBE subcontracts or purchase orders, each showing acceptance of the subcontract or purchase order by the MBE and WBE firms. During the performance of the contract, the Consultant will submit waivers of lien from MBE and WBE subconsultants and suppliers indicating the current payment amount and the cumulative dollar amount of payments made to date. The Consultant will file regular MBE and WBE utilization reports on the form entitled "Status Report of MBE and WBE (Sub) Contract Payments" at the time of submitting each monthly Payment Estimate, which reflects the current status of cumulative and projected payments to MBE and WBE firms.
- b. The Consultant must maintain records of all relevant data with respect to the utilization of MBE and WBE firms, including without limitation payroll records, tax returns and records, and books of account in such detail as the Commission requires, and retain such records for a period of at least 3 years after final acceptance of the work. Full access to such records will be granted to the Commission and/or its designees, on 5 business days' notice in order for the Commission to determine the Consultant's compliance with its MBE and WBE commitments and the status of any MBE or WBE firm performing any portion of the contract.

10. Disqualification of MBE or WBE

- a. The Contract may be terminated by the Executive Director upon the disqualification of the Consultant as an MBE or WBE if the Consultant's status as an MBE or WBE was a factor in the award and such status was misrepresented by the Consultant.
- b. The Contract may be terminated by the Executive Director upon the disqualification of any MBE or WBE if the Subconsultant's or supplier's status as an MBE or WBE was a factor in the award of the contract and the status of the subconsultant or supplier was misrepresented by the Consultant. If the Consultant is determined not to have been involved in any misrepresentation of the status of the disqualified subconsultant or supplier, the Consultant shall make good faith efforts to engage a qualified MBE or WBE replacement.

11. Prohibition On Changes To MBE/WBE Commitments

The Consultant must not make changes to its contractual MBE and WBE commitments or substitute such MBE or WBE subconsultants without the prior written approval of the Executive Director. Unauthorized changes or substitutions, including performing the work designated for a subconsultant with the Consultant's own forces, is a violation of this section and a breach of the contract with the Commission, and may cause termination of the contract for breach, and/or subject the Consultant to contract remedies or other sanctions. The facts supporting the request must not have been known nor reasonably should have been known by the parties prior to entering into the subcontract.

12. MBE/WBE Substitution Requirements and Procedures

- a. Arbitrary changes by the Consultant of the commitments earlier certified in the **Schedule D** are prohibited. Further, after once entering into each approved MBE and WBE sub-contract agreement, the Consultant shall thereafter neither terminate the subcontract, nor reduce the scope of the work to be performed by the MBE or WBE, nor decrease the price to the MBE or WBE, without in each instance receiving the prior written approval of the Executive Director. In some cases, however, it may become necessary to substitute a new MBE or WBE in order to actually fulfill the MBE or WBE requirements. In such cases, the Executive Director must be given reasons justifying the release by the Consultant of prior specific MBE or WBE commitments established in the contract, and will need to review the eligibility of the MBE or WBE presented as a substitute. The substitution procedure will be as follows:

- i. The Consultant must notify the Executive Director immediately in writing of an apparent necessity to reduce or terminate a MBE or WBE subcontract and to propose a substitute firm for some phase of work, if needed in order to sustain the fulfillment of the MBE/WBE contract requirements.
- ii. The Consultant's notification should include the specific reasons for the proposed substitution. Stated reasons which would be acceptable include any of the following reasons: a) Unavailability after receipt of reasonable notice to proceed; b) failure of performance; c) financial incapacity; d) refusal by the subconsultant to honor the bid or proposal price or scope; e) mistake of fact or law about the elements of the scope of work of a solicitation where a reasonable price cannot be agreed; f) failure of the subconsultant to meet insurance, licensing or bonding requirements; g) the subconsultant's withdrawal of its bid or proposal; or h) decertification of the subconsultant as MBE or WBE.

The Consultant's position must be fully explained and supported with adequate documentation. Stated reasons which will not be acceptable include: replacement firm has been recruited to perform the same work under terms more advantageous to the Consultant; issues about performance by the committed MBE or WBE were disputed (unless every reasonable effort has already been taken to have the issues resolved or mediated satisfactorily); an MBE or WBE has requested reasonable price escalation which may be justified due to unforeseen circumstances.

- iii. The Consultant's notification should include the names, address and principal official of any proposed substitute MBE or WBE and the dollar value and scope of work of the proposed subcontract. Attached should be all the same MBE/WBE affidavits, documents and Letters of Intent which are required of the proposed MBE or WBE firms.
- iv. The Executive Director will evaluate the submitted documentation, and respond within fifteen (15) working days to the request for approval of a substitution. The response may be in the form of requesting more information, or requesting an interview to clarify or mediate the problem. In the case of an expressed emergency need to receive the necessary decision for the sake of job progress, the Executive Director will instead respond as soon as practicable.

- v. Actual substitution of a replacement MBE or WBE to fulfill contract requirements must not be made before the Executive Director's approval is given of the acceptability of the substitute MBE or WBE. This subcontract must be executed within five (5) working days, and a copy of the MBE WBE subcontract with signatures of both parties to the agreement should be submitted immediately to the Executive Director.
- b. The Executive Director will not approve extra payment for escalated costs incurred by the Consultant when a substitution of subconsultants becomes necessary for the Consultant in order to comply with MBE/WBE contract requirements.
- c. No relief of the MBE/WBE requirements will be granted by the Executive Director except in exceptional circumstances. Requests for complete or partial waiver of the MBE/WBE requirements of this contract must be made in writing, stating all details of the request, the circumstances, and any additional relevant information. The request must be accompanied by a record of all efforts taken by the Consultant to locate specific firms, solicit MBE and WBE bids, seek assistance from technical assistance agencies, and other good faith efforts undertaken to achieve compliance with the MBE/WBE goals.

13. Non-Compliance

- a. The Executive Director has the authority to apply suitable sanctions to the Consultant if the Consultant is found to be in non-compliance with the MBE and WBE requirements. Failure to comply with the MBE or WBE terms of this contract or failure to use MBE or WBE firms as stated in the Consultant's assurances constitutes a material breach of the contract, and may lead to the suspension or termination of the contract in part or in whole. In some cases, monthly progress payments may be withheld until corrective action is taken.
- b. When the contract is completed, if the Executive Director has determined that the Consultant did not comply in the fulfillment of the required MBE and/or WBE goals, and a grant of relief of the requirements was not obtained, the Commission will be damaged in the failure to provide the benefit of participation to minority or women business to the degree set forth in this Special Condition. In that case, the Commission may disqualify the Consultant from entering into future contracts with the Commission.

14. Severability

- a. If any section, subsection, paragraph, clause, provision or application of these Special Conditions is held invalid by any court, the invalidity of such section, paragraph, clause or provision will not affect any of the remaining provisions hereof.
