Such records shall be maintained in accordance with recognized commercial accounting practices. The Architect agrees to use its best efforts to expedite performance of the Services and performance of all other obligations of the Architect under this Agreement and any other agreements entered into by the Commission which are managed or administered by the Architect as a result of the Architect's engagement hereunder.

h. Compliance with Laws. In performing its engagement under this Agreement, the Architect shall comply with all applicable federal, state and local laws, including but not limited to, those referenced in subparagraphs (b) and (c) above and in the documents referred to in paragraph 2 of this Agreement.

i. Progress Meetings. Termination or suspension of this Agreement shall not relieve the Architect from liability for the performance of any obligation of the Architect under this Agreement performed or to have been performed by the Architect on or before the effective date of termination or suspension. Provided the Architect is not in default under this Agreement at the time of termination or suspension, the Commission agrees to pay to the Architect, in accordance with the terms of this Agreement, all compensation and reimbursements due to the Architect for periods up to the effective date of termination or suspension. In no event shall the Commission be liable to the Architect for any loss, cost or damage which the Architect or any other party may sustain by reason of the Commission terminating or suspending this Agreement as provided herein; provided, however, that the Commission may, in its sole discretion, reimburse the Architect for actual expenses approved by the Commission.

c. Termination by the Architect. If the Project, in whole or substantial part, is stopped for a period longer than thirty (30) days under an order of any court or other governmental authority having jurisdiction of the Project, or as a result of an act of government, such as a declaration of national emergency making materials unavailable, through no act or fault of the Architect, or if the Commission fails to make any payment or perform any other obligation hereunder, the Architect shall have the right to terminate this Agreement, by written notice given to the Commission at least seven (7) days prior to the effective date of termination, and shall have the right to recover from the Commission all compensation and reimbursements due to the Architect for periods up to the effective date of termination.

Such payments shall not include legal or auditing expenses arising out of or relating to any errors or omissions, or claimed errors or omissions, of the Architect.

f. Designated Representatives. The Commission may designate, at its sole discretion, one or more representatives authorized to act on its behalf.

g. Indemnities. The Commission shall require, by appropriate provision in each contract let by the Commission after the date of this Agreement with respect to the Project that the contractor(s) and consultant(s) thereunder shall indemnify, save and hold harmless the Commission, the User Agency and the Architect, and each of them, and their respective commissioners, board members, officers, agents and employees, from all claims, demands, suits, actions, losses, costs and the like, of every nature and description, made or instituted by third parties, arising or alleged to arise out of the work under such contract, and that the contractor(s) and consultant(s) thereunder shall purchase and maintain during the life of such contract such insurance as the Commission may require.

h. Ownership of Documents. All documents, data, studies and reports prepared by the Architect or any party engaged by the Architect, pertaining to the Project and/or the Services shall be the property of the Commission.

i. The parties intend and agree that, to the extent permitted by law, the drawings, specifications and other design documents to be produced by the Architect and it's sub-consultants pursuant to this Agreement (the "Work") shall conclusively be deemed "works made for hire" within the meaning and purview of Section 101 of the United States Copyright Act, 17 U.S.C. § 101 *et seq.*, and that the Commission, the User Agency and their successors and assigns, will be the copyright owner of all aspects, elements and components thereof in which copyrights can subsist. To the extent that any of the foregoing does not qualify as a "work made for hire," the Architect hereby irrevocably grants, conveys, bargains, sells, assigns, transfers and delivers to the Commission, the User Agency and their successors and assigns, all right, title, and interest in and to the copyrights and all U.S. and foreign copyright registrations, copyright applications and copyright renewals therefor, and all other intangible, intellectual property embodied in or pertaining to the Work contracted for under the Agreement, free and clear of any liens, claims or other encumbrances, to the fullest extent permitted by law. The Architect will

execute all documents and, at the expense of the Commission, perform all acts that the Commission may reasonably request in order to assist the Commission, the User Agency and their successors and assigns, in perfecting their rights in and to the copyrights relating to the Work.

ii. The Architect warrants to the Commission, the User Agency and their successors and assigns, that (1) the Work constitutes a work of authorship; (2) on the date hereof the Architect is the lawful owner of good and marketable title in and to the copyrights for the Work (including the copyrights on designs and plans relating to the Work); and (3) the Architect has the legal right to fully assign any such copyright with respect to the Work; (4) the Architect has not assigned any copyrights nor granted any licenses, exclusive or non-exclusive, to any other party; (5) the Architect is not a party to any other agreement or subject to any other restrictions with respect to the Work; (6) the plans and designs for the Work are complete, entire and comprehensive. Further, the Architect agrees that it will not restrict or otherwise interfere with the Commission's and/or the User Agency's future actions in authorizing the use, adaptation, revision, or modification or destruction of the Work provided that the Architect is indemnified for any damages resulting from any such future re-use or adaptation of the Work as may be authorized by the Commission.

i. Audits. The Commission shall have the right to audit the books of the Architect and its sub-consultants on all subjects relating to the Project and/or the Services.

7. Indemnification of Commission. The Architect hereby agrees to indemnify, defend, keep and save harmless the Commission and the User Agency and their respective commissioners, board members, officers, agents, officials and employees, from and against all claims, demands, suits, losses, costs and expenses, including but not limited to, the fees and expenses of attorneys, that may arise out of or be based on any injury to persons or property that is or is claimed to be the result of an error, omission or negligent or willfully wrongful act of the Architect, any person employed by the Architect, or any sub-consultant retained by the Architect in connection with this Project.

8. Insurance to be Maintained by the Architect. The Architect shall purchase and maintain at all times during the performance of Services hereunder, for the benefit of the Commission, the User Agency and the Architect, insurance coverage which will adequately insure the Commission, the User Agency and the Architect against claims and liabilities which could arise out of the performance of such Services, including but not limited to, the insurance coverages set forth in Schedule E to this Agreement.

9. Default.

a. Events of Default. Any one or more of the following occurrences shall constitute an Event of Default under this Agreement:

i. Failure or refusal on the part of the Architect duly to observe or perform any obligation or agreement on the part of the Architect contained in this Agreement, which failure or refusal continues for a period of ten (10) days, or such longer period as the Commission, in its sole discretion, may determine if such failure is not capable of being cured within such ten (10) day period, after the date on which written notice thereof shall have been give to the Architect by the Commission;

ii. Any representation or warranty of the Architect set forth herein or otherwise delivered pursuant to this Agreement shall have been false in any material respect when so made or furnished;

iv. There shall be commenced any proceeding against the Architect seeking reorganization, arrangement, readjustment, liquidation, dissolution or similar relief under any present or future statute, law or regulation relating to bankruptcy which is not vacated, stayed, discharged, bonded or dismissed within sixty (60) days thereof, or there shall be appointed, without the Architect's consent or acquiescence, any trustee, receiver, liquidator or other custodian of Custodian or of all or any substantial part of the Architect's assets and properties, and such appointment shall not have been vacated, stayed, discharged, bonded or otherwise dismissed within sixty (60) days thereof.

No courses of dealing on the part of the Commission or delay or failure on the part of the Commission to exercise

any right shall operate as a waiver of such right or otherwise prejudice the Commission's rights, powers or remedies.

c. Remedies not Exclusive. No right or remedy herein conferred upon or reserved to the Commission is exclusive of any right or remedy herein or by law or equity provided or permitted, but each shall be cumulative of every other right or remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise, and may be enforced concurrently therewith or from time to time.

10. Confidentiality. All of the reports, information, or data prepared or assembled by the Architect under this Agreement are confidential, and the Architect agrees that such reports, information or data shall not be made available to any party without the prior written approval of the Commission. In addition, the Architect shall not, without the prior written consent of the Commission, prepare or distribute any news releases, articles, brochures, advertisements or other materials concerning this Agreement, the Project or the Services. . 11. Assignment. The Architect acknowledges that the Commission is induced to enter into this Agreement by the personal qualifications of the principals, staff and employees of the Architect and agrees, therefore, that neither this Agreement nor any right or obligation hereunder may be assigned by the Architect, in whole or in part, without the prior written approval of the Commission. For purposes of this paragraph, if the Architect undergoes a change in control, the change in control shall be deemed an assignment of the Agreement; a change in control is defined as a transfer of more than 50% of the equity ownership of the Architect during any twelve (12) month period. In the event of an assignment by the Architect without the prior written approval of the Commission, the Commission shall have the right to immediately terminate the Agreement without fault or responsibility. The Architect further acknowledges that the Architect has represented to the Commission the availability of certain members of the Architect's staff who will be assigned to Project, and agrees, therefore, that in the event of the unavailability of such members due, the Architect shall so notify the Commission in writing, and shall assign other qualified members of the Architect's staff, as approved by the Commission, to the Project.

The relationship of the Architect to the Commission hereunder is that of an independent contractor, and the Architect, except to the extent expressly provided to the contrary on Schedule B hereto, shall have no right or authority to make contracts or commitments for or on behalf of the Commission, to sign or endorse on behalf of the Commission any instruments of any nature or to enter into any obligation binding upon the Commission.
