I. INTRODUCTION

Thank you for your interest in bidding on this project, which is being undertaken by the Public Building Commission of Chicago. The Public Building Commission of Chicago (hereafter, the PBC, or Commission) is a municipal corporation with a statutory mandate to procure and award contracts for the construction of public buildings in the City of Chicago, and to oversee the construction of those public buildings until they are turned over to the user agency that will own and operate each new facility.

This is the first page of text of Book 1, which along with Book 2, Book 3, and the project drawings, comprise the PBC's construction contract. The balance of this Book 1 provides a brief description of the project, instructions for completing and submitting your bid, the bid pages, and the forms which must accompany your bid. Book 2 is the Standard Terms and Conditions of the contract. Book 3 is the Technical Specifications for the work to be performed on this project. The PBC's architect or engineer for the project will provide the drawings and other documents that may be necessary for you to bid on and/or perform the work. Each of the Books, along with the drawings and any other documents prepared by the PBC, its architect or engineer, are Contract Documents. Collectively, the Contract Documents comprise the Contract. The Contract Documents are defined in Section 1 of Book 2, Standard Terms and Conditions.

II. PROJECT INFORMATION

A. General Information

1. Bids will be received by the Public Building Commission of Chicago for the following Project in accordance with the Contract Documents set forth below:

**DUNNE TECHNOLOGY ACADEMY MODERNIZATION
10845 SOUTH UNION AVENUE
CHICAGO, ILLINOIS 60648
PROJECT #05440**

2. General Description of Scope of Work:

As further described in the detailed specifications and drawings, the project consists of construction of one-story Annex with a two-story link to the existing school and includes site development work and renovations of the existing 1971 school building. The program scope for the Annex will include a Science and Pre-Engineering Lab, elementary gymnasium with gym office and storage, unisex toilet, building services, and 2-stop elevator for access between the Annex and existing 1971 school building. Site development scope for the Annex will include a playground, artificial turf field and landscaping. Abatement, Demolition and Remediation of the existing 1952 building on the site will be done under the JOC contract for soil management.

This annex to the existing building is intended to address school over-crowding within the existing facility. This annex will provide expanded program space with contiguous weather-protected connection to the existing building. The design of the new annex and site improvements strive to provide spaces which can contribute to ensuring that every child is educated and prepared for success; the ultimate goal of CPS. In order to achieve this goal, the building and site design seeks to provide a non-institutional child-centered learning environment that can foster integration and cooperation among students, encourage learning through an array of spaces and visual connections, allow for interactive play, and encourage independence of students. Importantly, the architecture should have an inherent and understandable order and offer visual cues and orientation aids for all students.

The new building and site will be designed and constructed to achieve a minimum LEED for Schools 2009 Certified rating as defined by the U.S. Green Building Council.

2. Bids received prior to the advertised hour of opening will be securely kept by the Commission.
3. Written modifications of bids will be considered only if received prior to the time stated for receipt of Proposals. Such modifications must be submitted in a sealed envelope and marked in the same manner as a bid. IN ADDITION, the envelope must state "BID MODIFICATIONS TO SEALED PROPOSAL" on the lower left-hand corner of the envelope in which the bid modification is enclosed, so that the modification will be recognized to prevent its being opened prior to scheduled public opening of bids. Telephonic or oral modifications will not be considered. Bidders are cautioned that modifications which are not explicit and which are in any sense subject to misinterpretation shall make the bid so modified or amended subject to rejection.

N. Withdrawal of Bids before Bid Opening

Any Bidder may withdraw its bid by letter, facsimile, e-mail request, or by personally securing, with proper identification, the submitted bid proposal at any time prior to the time fixed for opening of bids. A telephonic request to withdraw a bid will not be considered.

O. Opening of Bids

At the time and place fixed for the opening of bids, the Commission will cause to be opened and publicly read aloud every bid received within the time set for receiving bids irrespective of any irregularities therein. Bidders and other persons properly interested may be present in person or by representative.

P. Evaluation of Bids

1. The Commission reserves the right to check all calculations and to correct all extensions in case of error in order to determine the correct amount of the Total Base Bid and/or the total amount of any other schedule required.
2. Along with reviewing the calculations of each bid, the Commission will evaluate each Bidder's responsiveness to all Bid requirements and responsibility.
3. The Commission may require that the apparent low bidder and any other bidder submit a breakdown of their bids by CSI Division or other appropriate basis. The Commission may also require the apparent low bidder or any other bidder to attend a pre-award meeting to review their bids in detail.

Q. Basis of Award

If the amount of the Total Base Bid for Scope A + Scope B is more than \$6,495,000, the award will be made to the responsible Bidder submitting the lowest Award Criteria for Scope A and otherwise responsive to all the requirements of the Contract Documents for Scope A only.

The Accelerated Construction Figure is an alternate and has no bearing on the basis of award.

R. Performance and Payment Bond and Insurance

1. Each Bidder shall furnish proof of its ability to provide the bonds and insurance required by the Contract with its bid. With respect to the payment and performance bonds, a letter from the Bidder's surety affirming the surety's willingness to provide the Bidder's bonds is sufficient. With respect to the insurance, either a letter from the Bidder's insurer, or a certificate showing that the Bidder currently possesses the required coverage, is sufficient.
2. The Contractor must provide and maintain at Contractor's own expense, the minimum insurance coverage and requirements specified in the attached Exhibit 2, insuring all operations related to the Contract. The insurance must remain in effect from the date of the Notice to Proceed until Substantial Completion of the project, during completion of Punch List, as well as any time the Contractor or its Subcontractors return to perform additional work regarding warranties or for any other purpose, unless otherwise noted in the requirements.
3. Upon approval by the Commission to award, and within five (5) days after being given notice, the successful Bidder must execute and deliver to the Commission the Performance and Payment Bond in the form included in the Contract Documents, and evidence of the required insurance coverage.

The current power of attorney for the persons who sign for any surety company shall be attached to such bond. Such power of attorney shall be sealed and certified with a "first hand signature" by an officer of the surety. A facsimile signature will not be accepted by the Commission. The Commission reserves the right to approve the surety company.
5. The failure of the successful Bidder to supply the required Performance and Payment Bond or evidence of the required insurance coverage within five (5) days of notice, or within such extended period as the Commission may grant based upon reasons determined sufficient by the Commission, shall constitute a default and the Commission may either award the Contract to the next lowest responsible bidder or re-advertise for bids. The difference between the amount of its bid and the amount for which a contract for the work is subsequently executed may be charged against the Bidder, irrespective of whether the amount thus due exceeds the amount of the bid security. If a more favorable bid is received by re-advertising, the defaulting Bidder shall have no claim against the Commission for a refund. Because of the difficulty of ascertaining the damage caused to the Commission, such sum shall be considered liquidated damages and shall not constitute a penalty. The election by the Commission to grant an extension to the period allowed for the bidder to provide an acceptable performance and payment bond and/or evidence of insurance coverage shall not entitle the bidder to an extension of time required to complete the Work.

S. Protests

1. The bidder shall submit any protests or claims regarding this solicitation to the office of the Commission's Executive Director. A pre-bid protest must be filed five (5) days before the bid opening date, a pre-award protest must be filed no later than ten (10) days after the bid opening date, and a post-award protest must be filed no later than ten (10) days after the award of the Contract.
2. All protests or claims must set forth the name and address of the protester, the contract number, the grounds for the protest or claim, and the course of action that the protesting party desires that the Executive Director take.

U. Award Of Contract; Rejection Of Bids

1. If the amount of the Total Base Bid for Scope A + Scope B is \$6,495,000 or less, the award will be made to the responsible Bidder submitting the lowest Award Criteria and otherwise responsive to all the requirements of the Contract Documents.

If the amount of the Total Base Bid for Scope A + Scope B is more than \$6,495,000, the award will be made to the responsible Bidder submitting the lowest Award Criteria and otherwise responsive to all the requirements of the Contract Documents for Scope A only.

2. The Bidder agrees that its bid shall be in effect until midnight, Thursday, March 12, 2015 and that the bid may not be withdrawn until that time.
3. The Bidder to whom the award is made will be notified as soon as practicable after the Commission approves award of the Contract. This written notification constitutes the Notice of Award and acceptance of the bid submitted.
4. If written notice of the acceptance of this Bid is mailed, faxed, e-mailed or otherwise delivered to the undersigned within the time noted herein, or at any time thereafter before this Bid is withdrawn, the undersigned agrees to enter into a Contract with the Public Building Commission of Chicago with the Bid as accepted. The undersigned agrees to give a Performance and Payment Bond as specified in the Contract Documents, with good and sufficient surety or sureties, and to furnish the required insurance, all within five (5) days after given Notice of Award.

V. PROPOSAL SUPPORT DOCUMENTS

A1. Basis of Award (Award Criteria)

To promote the intended goal of economic opportunity and maximize the use of minority personnel on this project, the Public Building Commission of Chicago has established the Award Criteria formula for the purpose of evaluating proposals and awarding the contract.

If the amount of the Total Base Bid for Scope A + Scope B is \$6,495,000 or less, the award will be made to the responsible Bidder submitting the lowest Award Criteria and otherwise responsive to all the requirements of the Contract Documents.

If the amount of the Total Base Bid for Scope A more than \$6,495,000, the award will be made to the responsible Bidder submitting the lowest Award Criteria for Scope A and otherwise responsive to all the requirements of the Contract Documents for Scope A only.

The Public Building Commission of Chicago reserves the right to check all calculations for accuracy. The fulfillment of the Award Criteria does not abrogate the responsibilities of the Contractor to comply with federal and state requirements under the *Equal Employment Act* and the *Illinois Human Rights Act*.

1. Instructions

The Bidder shall complete the Award Criteria Formula and transfer the final Award Criteria Figure - Line 15 to the space provided on the Bid Form under Scope A + Scope B Award Criteria Figure. Failure to complete each formula may be cause for rejection of the Bidder's proposal. The successful bidder will be held responsible for adhering to the figures submitted in Lines 1, 2, 4, 6, 8, 10 and 12 during construction of the project.

Lines 2, 4 and 6 in the formula shall not be greater than fifty percent (50%) in each category for the sole purpose of determining award of the contract. Similarly, lines 8, 10 and 12 shall not be greater than ten (10%) percent in each category for the purpose of award criteria only. The fifty percent (50%) and ten percent (10%) goals are not intended to restrict the total number of minority and female employees to be used on the project, but only to establish limiting figures for use in the formula.

3. Community Hiring Bonuses

In order to encourage maximum employment of interested and available residents of the project community on this project, the following bonus calculations shall apply:

- In calculating the hours worked by minority and women Journeyworkers, apprentices, and laborers under the Award Criteria set out in Part V.A. "Basis of Award (Award Criteria)," all hours worked by minority and women Journeyworkers, existing apprentices, and laborers who are residents of the project community shall be multiplied by 1.5.
- In calculating the hours worked by minority and women apprentices under the Award Criteria set out in Part V "Proposal Support Documents," all hours worked in new apprenticeships by minority and women apprentices who are residents of the project community shall be multiplied by 2.0.

Definitions

"City of Chicago Residents" means persons domiciled within the City of Chicago. Salaried superintendents are excluded from coverage in this section. Domicile is an individual's one and only true, fixed, and permanent home and principal establishment.

"Project Community Residents" means persons domiciled within the "Project Community" as defined in Section II, A.6 above.

"New Apprenticeship" shall mean an apprenticeship begun for a person who has not held an apprenticeship card within ninety (90) days prior to beginning the project.

4. Liquidated Damages

The Contractor hereby consents and agrees that, in the event that it fails to comply with each of the minimum commitments submitted with this Proposal on Lines 2, 4, 6, 8, 10, and 12 of the Award Criteria Formula, covering minority and female Journeyworkers, apprentices, and laborers respectively, the following shall apply.

If the total hours in any category for which a percentage is assigned in Lines 2, 4, 6, 8, 10, or 12 of the Award Criteria equals zero at the completion of the work, then a net deficiency of the entire percentage assigned will be deemed to exist. For any net deficiency in each category, the following amounts shall be deducted as liquidated damages from monies due the Contractor and the Contract Sum modified accordingly:

- a. For each full one (1%) percent deficiency of minority Journeyworkers not utilized – four cents per each hundred dollars of the base bid calculated as follows:

$$\frac{\text{Line 1} \times 04}{100}$$

Each one (1%) percent deficiency toward the goal for female Journeyworkers (Line 8) shall be calculated in the same way.

- b. For each full one (1%) percent deficiency of minority apprentices not utilized – three cents per hundred dollars of the base bid calculated as follows:

$$\frac{\text{Line 1} \times 03}{100}$$

Each one (1%) percent deficiency toward the goal for female apprentices (Line 10) shall be calculated in the same way.

- c. For each one (1%) percent deficiency of minority laborers not utilized – one cent per each hundred dollars of the base bid calculated as follows:

$$\frac{\text{Line 1} \times 01}{100}$$

Each one (1%) percent deficiency toward the goal for female laborers (Line 12) shall be calculated in the same way.

- d. Liquidated damages, if any, will be calculated for the first pay requests reflecting fifty percent (50%) completion, seventy-five percent (75%) completion, and ninety percent (90%) completion, respectively, based upon the Contractor's pay request together with all attendant certified payrolls and other required documentation of minority and women employment. The accrued liquidated damages and interest will be added to the retention provided elsewhere in this contract. The amount of liquidated damages due to the Commission under this provision will bear compound interest at the rate of 5% per annum, compounded monthly from the date of the Notice to Proceed to the date of approval of a deductive change order for liquidated damages. Should the total amount of liquidated damages due under all provisions of this contract exceed the amount of the Commission's retainage, compound interest on the amount over and above the retainage will continue to accrue until the entire amount of liquidated damages and compound interest is paid to the Commission.
- e. The Commission is aware that certain subcontract agreements under this contract may require subcontractors to contribute to payment of liquidated damages assessed under this provision. Should enforcement of subcontract liquidated damages provisions result in an aggregate total of subcontractor liquidated damages greater than the liquidated damages assessed hereunder against Contractor, then Contractor must pay the excess pro rata as a bonus to each subcontractor exceeding its subcontract commitments for minority or women employment, or both.

5. Reporting

In accordance with this commitment, the Contractor must submit both the Contractor's Payroll Record Form and the Contractor's Recapitulation of Minority and Female Worker Hours and Percentages Form on a monthly basis. All Subcontractors shall be listed on the Contractor's Recapitulation Form whether active or not. For the purpose of this report, the following group categories will be used:

- a. The classification "White" includes person of Indo-European descent.
- b. The classification "Black" or "African-American" includes persons having origins in any of the black racial groups of Africa.

We are pleased to inform you that Garth Masonry Corporation has been recertified as a **Minority Business Enterprise ("MBE")** by the City of Chicago ("City"). This MBE certification is valid until **5/1/2017**; however your firm's certification must be revalidated annually. As a consequence, we require you to be even more diligent in filing your **annual No-Change Affidavit 60 days** before your annual anniversary date.

It is now your responsibility to check the City's certification directory and verify your certification status. As a condition of continued certification during the five year period stated above, you must file an annual No-Change Affidavit. Your firm's **annual No-Change Affidavit** is due by **5/1/2015, and 5/1/2016**. Failure to provide the City with timely notice of such changes may result in the suspension or rescission of your certification. In addition, you may be liable for civil penalties under Chapter 1-22, "False Claims", of the Municipal Code of Chicago.

Please note – you shall be deemed to have had your certification lapse and will be ineligible to participate as a MBE if you fail to:

Good afternoon,

The City of Chicago certification letter has changed. Please pay close attention to paragraph one sentence three which states, "In the past the City has provided you with an annual letter confirming your certification; such letter will no longer be issued."

However all certified firms are still responsible to submit a No Change Affidavit ("NCA") every year. Once the NCA is processed we will update our city directory confirming that they are in good standings. You may check the city directory by following these steps:

1. Use this link <http://www.cityofchicago.org/city/en/depts/dps.html>
2. Click on the "M/W/DBE Certified Firms" icon in the middle of the screen
3. Type in the name of the firm in question and hit "enter"
4. Scroll to the bottom to see the search result
5. Next to the name of the firm you will see certification(s) linked to the firm, click on it (for example "MBE," "WBE," etc.)
6. The pop up screen will give you all the information needed, most importantly pay attention to the "Renewal/Anniversary Date" since this will show if they are up to date with their NCA

The new letter format is being used for all of the City of Chicago certified firms. If you have have additional questions please feel free to contact me directly, all of my contact information is below.

Explanations

COOK COUNTY

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

TRUCK DRIVERS (WEST) - That part of the county West of Barrington Road.

EXPLANATION OF CLASSES

ASBESTOS - GENERAL - removal of asbestos material/mold and hazardous materials from any place in a building, including mechanical systems where those mechanical systems are to be removed. Illinois Civil Union Act Policyholder Notice

On June 1, 2011, Public Act 96-1513, the Religious Freedom Protection and Civil Union Act ("the Act") became effective. Under the Act, both same-sex and opposite-sex couples may enter into a civil union. A party to a civil union is entitled to the same legal obligations, responsibilities, protections, and benefits as are afforded or recognized by the law of Illinois a spouse; whether they derive from statute, administrative rule, common law, or any other source of civil or criminal law. A marriage between persons of the same sex, a civil union, or a substantially similar legal relationship other than common law marriage, legally entered into in another jurisdiction, shall be legally recognized in Illinois as a civil union.

CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE:

Illinois law grants parties to a civil union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a civil union. For example, the Employee Retirement Income Security Act of 1974, a federal law known as "ERISA" controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a civil union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under "COBRA" for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a civil union and their families may or may not have access to certain benefits under this policy, contract, certificate, rider or endorsement that derive from federal law. You are advised to seek expert advice to determine your rights.

d. Earth Movement

- (1) Any earth movement (other than sinkhole collapse), such as an earthquake, landslide, mine subsidence or earth sinking, rising or shifting. But if earth movement results in fire or explosion, we will pay for the loss or damage caused by that fire or explosion.

(2) Volcanic Action

Volcanic eruption, explosion or effusion. But if volcanic eruption, explosion or effusion results in fire, building glass breakage or volcanic action, we will pay for the loss or damage caused by that fire, building glass breakage or volcanic action.

Volcanic action means direct loss or damage resulting from the eruption of a volcano when the loss or damage is caused by:

- (a) Airborne volcanic blast or airborne shock waves;
- (b) Ash, dust or particulate matter; or
- (c) Lava flow.

All volcanic eruptions that occur within any 168 hour period will constitute a single occurrence.

Volcanic action does not include the cost to remove ash, dust or particulate matter that does not cause direct physical loss or damage to the described property.

This exclusion does not apply to Covered Property while in transit.

e. Water

- (1) Flood, surface water, waves, tides, tidal waves, overflow of any body of water or their spray, all whether driven by wind or not;
- (2) The interior of any building or structure caused by or resulting from rain, snow, sleet, ice, sand or dust, whether driven by wind or not, unless:

 - (b) The loss or damage is caused by or results from thawing of snow, sleet or ice on the building or structure.
- (3) Mudslide or mudflow;
- (4) Water that backs up or overflows from a sewer, drain or sump, except as provided in the **Back-Up Or Overflow Of Sewers, Drains Or Sumps** Additional Coverage;
- (5) Water under the ground surface pressing on, or flowing or seeping through:
 - (a) Foundations, walls, floors or paved surfaces;
 - (b) Basements, whether paved or not; or
 - (c) Doors, windows or other openings.

But if water, as described in e.(1) through e.(5) above, results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage.

- 2. We will not pay for a loss or damage caused by or resulting from any of the following:
 - a. Delay, loss of use, or loss of market. This does not include "profit" if reported in compliance with the **Reporting Provisions** Additional Condition;
 - b. Dishonest or criminal acts by you, any of your partners, employees or leased employees, directors, trustees, authorized representatives or anyone to whom you entrust the property for any purpose.

This exclusion applies:

- (1) While acting alone or in collusion with others; or
- (2) Whether or not occurring during the hours of employment.

This exclusion does not apply to acts of destruction by your employees or leased employees; but theft by employees or leased employees is not covered.

This exclusion does not apply to Covered Property while it is entrusted to others who are carriers for hire.

- c. Unexplained or mysterious disappearance except for property in custody of a carrier for hire.

However, we will cover freezing loss or damage to property in the building reported to us, if you have shut off the water supply and drained the plumbing systems and appliances or made a reasonable effort to maintain heat in the building.

- (6) Settling, cracking, shrinking, or expansion of any Covered Property.

- h. Rain, snow, sleet, sand or dust if Covered Property is in the open. This does not apply to Covered Property in the custody of a carrier for hire.
 - i. Artificially generated electrical current; mechanical breakdown; rupturing or bursting caused by centrifugal force.
 - j. Testing, start-up, commissioning, examination or trial of Covered Property such as boilers, ovens, stoves, turbines, pumps, process equipment or equipment of a similar nature to prove their ability or function. This includes any form of testing making use of feedstock, including operational tests, performance tests, or other tests performed in conjunction with such testing. This exclusion does not apply to "electrical testing", "mechanical testing", "pneumatic testing" or "hydrostatic testing" used in the start-up and testing of building systems that are intended to service a building.
3. We will not pay for loss or damage caused by or resulting from any of the following. But if loss or damage by a Covered Cause of Loss results, we will pay for the resulting loss or damage caused by that Covered Cause of Loss.
- a. Weather conditions which contribute in any way to a cause or event excluded in paragraph 1. above to produce the loss or damage.
 - b. Acts or decisions, including the failure to act or decide, of any person, group, or organization representing a governmental, regulatory or controlling body.

 - d. The discharge, dispersal, seepage, migration, release or escape of "pollutants", except as provided under **Pollutant Clean-Up And Removal Additional Coverage**.

C. LIMITS OF INSURANCE

The most we will pay for loss or damage to any one building or structure is the lesser of the Limit of Insurance shown in the Declarations for that one building or structure or the "total estimated completed value" that was reported to us for that one building or structure. The most we will pay for loss or damage in any one occurrence is the limit shown in the Declarations for all Covered Property at all locations.

D. DEDUCTIBLE

We will not pay for loss or damage until the amount of covered loss or damage exceeds the Deductible shown in the Declarations. We will then pay the amount of the covered loss or damage which exceeds the Deductible, up to the applicable Limit of Insurance.

E. ADDITIONAL CONDITIONS

The following conditions apply in addition to the Common Policy Conditions and the Commercial Inland Marine Conditions:

1. Coverage Territory

The coverage territory is United States of America (including its territories and possessions) and Canada.

2. Where Coverage Applies

This coverage applies to Covered Property while within the coverage territory while:

- a. At any construction site you have reported;
- b. Temporarily at other premises, if the property has been designated to be installed at a location you have reported to us; or

- c. In transit except imports or exports while ocean marine coverage applies.

3. When Coverage Begins And Ends

We will cover risk of loss or damage from the time when you are legally responsible for the Covered Property on or after the effective date of this policy if all other conditions are met. Coverage will end at the earliest of the following:

- a. Once your interest in the Covered Property ceases;
- b. Ninety days after initial occupancy of the Covered Property unless:
 - (1) That building is being used as a model home;
 - (2) That building is being remodeled and is a single family dwelling; or
 - (3) That building is being used as a "model home leaseback".
- c. When the Covered Property is leased to or rented to others:
 - (1) For a single family dwelling, when the building is leased or rented to others;
 - (2) For a two, three or four family dwelling, when 50% or more of the units in the structure are leased to or rented to others; or
 - (3) For a "commercial structure", when 75% or more of the square footage space is leased to or rented to others.

This does not apply to pre-leases established prior to construction.

- d. When you abandon the reported location with no intention to complete it;
- e. At the end of 12 months from the month when you first reported the location to us unless you report the location again and pay an additional premium. If the location is reported again and the additional premium is paid, coverage will end at the end of 12 months from the month when you re-reported the location to us as described in the **Reporting Provisions** Additional Condition. You have the option to report the same location a third time at the end of the second 12 month period, provided the required additional premium is paid. Coverage for this third 12 month term will end at the end of 12 months from the month you re-reported the location for a third term;

Coverage for existing buildings or structures that are being or have been remodeled:

At the end of 12 months from the month when you first reported the location to us unless you report the location again and pay an additional premium. If the location is reported again and the additional premium is paid, coverage will end at the end of 12 months from the month when you re-reported the location to us as described in the reporting provision below. There is no option to report a third year.

- f. When permanent property insurance applies; or
- g. Once the Covered Property is accepted by the owner or buyer.

4. Reporting Provisions

- a. Each month you must report to us the "total estimated completed values" of all Covered Property for each location started during the previous month. This report must be made on the form we provide.

For the purpose of these reports, a location is started when you first put any building materials (including the foundation) on the construction site.

If your policy is endorsed to provide coverage for existing structures that you are renovating or adding onto and for which you seek coverage, a location is started on the earlier of the following:

- (1) When you first put any building materials, which includes any new, altered or expanded foundation, on the site; or
 - (2) When you acquire title to the existing structure.
- b. You must pay premiums based on the "total estimated completed value" of the Covered Property using the rate we furnish. You must send your premium payment with the report for the reported locations to be

covered. We must receive your report and the accompanying premium payments at the address designated in our form by the last business day of the month in which the report is due, or the report is late.

- c. If a report is received late, coverage begins on the day the report is received, and there is no coverage for any loss or damage that occurred before that report was received. Our acceptance of a report of values and premium payment does not waive or change any part of this policy nor stop us from asserting any right we have under the terms of this policy.
- d. The premium charged is fully earned and no refund is due you when coverage ends.
- e. A dwelling being used as a Model Home must be reported and should be identified as a Model Home.
- f. You will keep accurate construction records regarding property we cover under this policy. This includes the "total estimated completed value" of the Covered Property and a record of all contracts of sale dealing with the Covered Property.
- g. If at the end of 12 months from the time you first reported a start to us, you still have that location in your inventory, you may report that location to us a second time. If at the end of the second 12 months from the time you first reported a start to us and you still have that location in your inventory, you may report that location to us a third time.

Coverage for existing buildings or structures that are being or have been remodeled:

If at the end of 12 months from the time you first reported a start to us, you still have that location in your inventory, you may report that location to us a second time. There is no option to report a third time (year).

- h. Cancellation of this policy will not affect the insurance in force on any location which you have reported to us or on any location which started before the effective date of the cancellation notice if that location is reported on the report due and premium payment is made. However, you cannot report any location currently in your inventory a second time after the effective date of cancellation.

However, coverage may be canceled on any location if notice is given in writing in accordance with the cancellation provision in the Common Policy Conditions, or state amendatory endorsements.

5. Mortgage Holders Clause

- a. The term mortgage holder includes trustees.
- b. We will pay for covered loss or damage to Covered Property to each mortgage holder shown on a Certificate of Insurance issued by the current Agent of Record.
- c. The mortgage holder has the right to receive payment for loss or damage even if the mortgage holder has started foreclosure or similar action on the Covered Property.
- d. If we deny your claim because of your acts or because you have failed to comply with the terms of this Coverage Part, the mortgage holder will still have the right to receive payment for loss or damage to Covered Property if the mortgage holder:

- (1) Pays any premium due under this Coverage Part at our request if you have failed to do so;
- (2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so;
- (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgage holder.

All of the terms of this Coverage Part will then apply directly to the mortgage holder.

- e. If we pay the mortgage holder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:
 - (1) The mortgage holder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and
 - (2) The mortgage holder's rights to recover the full amount of the mortgage holder's claim will not be impaired.

At our option, we may pay to the mortgage holder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- f. If we cancel this policy, we will give written notice to the mortgage holder at least:
 - (1) 10 days before the effective date of cancellation if we cancel for non-payment of premium; or
 - (2) 30 days before the effective date of cancellation if we cancel for any other reason.
- g. We will not notify the mortgage holder if:
 - (1) You cancel this policy, or
 - (2) Coverage ends for any reason other than if we cancel the policy.

6. Waiver Of Coinsurance

If there is loss or damage to Covered Property and the cost to repair or replace such property is less than or equal to \$25,000, we will adjust the loss or damage without regard to the **Coinsurance** Additional Condition.

7. Coinsurance

If the reported value is less than the "total estimated completed value", you will bear a portion of any loss or damage. The amount we will pay is determined by the following steps:

- a. Divide the reported value by the "total estimated completed value" of the Covered Property;
- b. Multiply the total amount of the covered loss or damage before the application of any deductible by the percentage determined in paragraph a.;
- c. Subtract the deductible from the figure determined in paragraph b.

Example No. 1

(This example assumes there is no penalty for underinsurance.)

Deductible	\$1,000
Reported Value	\$100,000
"Total Completed Estimated Value"	\$100,000
Amount of loss or damage	\$60,000

- a. Reported value divided by "total estimated completed value"
 $\$100,000 / \$100,000 = 1.00$
- b. Amount of loss or damage multiplied by percentage in paragraph a.
 $\$60,000 \times 1.00 = \$60,000$
- c. Deductible amount subtracted from result of paragraph b.
 $\$60,000 - \$1,000 = \$59,000$

Example No. 2

(This example assumes there is a penalty for underinsurance)

Deductible	\$1,000
Reported Value	\$100,000
"Total estimated completed value"	\$120,000
Amount of loss or damage	\$60,000

- a. Reported value divided by "total estimated completed value"
 $\$100,000 / \$120,000 = .833$

- b. Amount of loss or damage multiplied by percentage in paragraph a.

$$\$60,000 \times .833 = \$49,980$$

- c. Deductible amount Subtracted from result of paragraph b.

$$\$49,980 - \$1,000 = \$48,980$$

8. Liberalization Clause

If we adopt any revision which would broaden the coverage under this Coverage Form without additional premium within 60 days prior to or during the policy period, the broadened coverage will immediately apply to this policy.

9. Interest Of Subcontractors, Sub-Subcontractors, Suppliers

We cover the interest which your subcontractors, your sub-subcontractors and your suppliers have in the Covered Property, but only while such property is situated at a construction site you have reported to us. This condition does not impair any right of subrogation we would otherwise have.

10. Unintentional Failure To Disclose Hazards

Your failure to disclose all hazards existing as of the inception date of the policy shall not affect the coverage afforded by this policy, provided such failure to disclose all hazards is not intentional and the hazard is reported to us as soon as practicable after you learn about it.

1. "Commercial structure" means any structure other than a one to four family dwelling.

DISCLOSURE OF PREMIUM (RELATING TO DISPOSITION OF TRIA)

SCHEDULE*

(1) Premium attributable to risk of loss from certified acts of terrorism through the end of the policy period based on the extension of the Terrorism Risk Insurance Act of 2002, as amended by the Terrorism Risk Insurance Extension Act of 2005, ("TRIA") for lines subject to TRIA and the Terrorism Risk Insurance Program Reauthorization Act of 2007 (TRIPRA):

INCLUDED

If TRIA terminates, the portion of this premium attributable to the remaining part of the policy period, as modified by any change shown in (2) of this Schedule, applies to the risk of loss from terrorism after the termination of TRIA.

(2) Premium change upon termination of TRIA or upon applicability of a Conditional Endorsement:

No change unless one of the following is completed -

Return Premium:

Additional Premium:

If we notify you of an additional premium charge, the additional premium will be due as specified in such notice.

*Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

A. Disclosure of Premium

In accordance with the TRIA, we are required to provide you with a notice disclosing the portion of your premium, if any, attributable to the risk of loss from terrorist acts certified under that Act for lines subject to TRIA. That portion of your premium attributable is shown in the Schedule of this endorsement or in the Declarations.

B. Disclosure of Federal Participation in Payment of Terrorism Losses

The United States Government, Department of the Treasury, will pay a share of terrorism losses insured under the federal program. The federal share equals 85% of that portion of the amount of such insured losses that exceeds the applicable insurer retention. The Act currently provides for no insurance industry or United States government participation in terrorism losses that exceed \$100 billion in any one calendar year. The federal program established by the Act is scheduled to terminate at the end of

December 31, 2014 unless extended by the federal government.

C. Possibility of Additional or Return Premium

The premium attributable to the risk of loss from certified acts of terrorism coverage is calculated based on the coverage (if any) in effect at the beginning of your policy for certified acts of terrorism. If your policy contains a Conditional Endorsement, the termination of TRIA or extension of the federal program with certain modifications (as explained in that endorsement) may modify the extent of coverage (if any) your policy provides for terrorism. If TRIA terminates or the Conditional Endorsement becomes applicable to your policy, the return premium (if any) or additional premium (if any) shown in (2) of the Schedule will apply. If the level or terms of federal participation change, the premium shown in (1) of the Schedule attributable to that part of the policy period extending beyond such a change may not be appropriate and we will notify you of any changes in your premium.

CAP ON LOSSES FROM CERTIFIED ACTS OF TERRORISM

Insureds Name	Policy Number	Effective Date	Endorsement Number

THIS ENDORSEMENT CHANGES YOUR POLICY. PLEASE READ IT CAREFULLY.

This endorsement modifies your insurance:

COMMERCIAL GENERAL LIABILITY COVERAGE PART
COMMERCIAL INLAND MARINE COVERAGE PART
COMMERCIAL PROPERTY COVERAGE PART
COMMERCIAL UMBRELLA LIABILITY COVERAGE PART

A. Cap on Losses From Certified Terrorism Losses

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in concurrence with the Secretary of State and the Attorney General of the United States, to be an act of terrorism pursuant to the federal Terrorism Risk Insurance Act ("TRIA"). The Terrorism Risk Insurance Act provides that the Secretary of Treasury shall certify an act of terrorism:

1. to be an act of terrorism;
2. to be a violent act or an act that is dangerous to human life, property or infrastructure;
3. to have resulted in damage within the United States, or outside of the United States in the case of an air carrier (as defined in section 40102 of Title 49, United States Code) or a United States flag vessel (or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States), or the premises of a United States mission; and
4. to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

No act may be certified as an act of terrorism if the act is committed as part of the course of a war declared by Congress (except for workers' compensation) or if losses resulting from the act, in the aggregate for insurance subject to TRIA, do not exceed \$5,000,000.

If aggregate insured losses attributable to one or more "certified acts of terrorism" exceed \$100 billion in a Program Year (January 1 through December 31) and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of Treasury.

B. Application of Other Exclusions

The terms and limitations of a terrorism exclusion or any other exclusion, or the inapplicability or omission of a terrorism exclusion or any other exclusion, do not serve to create coverage which would otherwise be excluded, limited or restricted under this policy.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

COMMERCIAL INLAND MARINE CONDITIONS

The following conditions apply in addition to the Common Policy Conditions and applicable Additional Conditions in Commercial Inland Marine Coverage Forms:

LOSS CONDITIONS

A. Abandonment

There can be no abandonment of any property to us.

B. Appraisal

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

1. Pay its chosen appraiser; and
2. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

C. Duties In The Event Of Loss

You must see that the following are done in the event of loss or damage to Covered Property:

1. Notify the police if a law may have been broken.
2. Give us prompt notice of the loss or damage. Include a description of the property involved.
3. As soon as possible, give us a description of how, when and where the loss or damage occurred.
4. Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
5. You will not, except at your own cost, voluntarily make a payment, assume any obligation, or incur any expense without our consent.

6. As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.

7. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.
8. Send us a signed, sworn proof of loss containing the information we request to settle the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
9. Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or suit.
10. Cooperate with us in the investigation or settlement of the claim.

D. Insurance Under Two Or More Coverages

If two or more of this policy's coverages apply to the same loss or damage, we will not pay more than the actual amount of the loss or damage.

E. Loss Payment

1. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
2. We will not pay you more than your financial interest in the Covered Property.
3. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claim against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
4. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.
5. We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss if you have complied with all the terms of this Coverage Part and:
 - a. We have reached agreement with you on the amount of the loss; or
 - b. An appraisal award has been made.

6. We will not be liable for any part of a loss that has been paid or made good by others.

F. Other Insurance

1. You may have other insurance subject to the same plan, terms, conditions and provisions as the insurance under this Coverage Part. If you do, we will pay our share of the covered loss or damage. Our share is the proportion that the applicable Limit of Insurance under this Coverage Part bears to the Limits of Insurance of all insurance covering on the same basis.
2. If there is other insurance covering the same loss or damage, other than that described in 1. above, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But we will not pay more than the applicable Limit of Insurance.

G. Pair, Sets Or Parts

1. Pair Or Set

In case of loss or damage to any part of a pair or set we may:

- a. Repair or replace any part to restore the pair or set to its value before the loss or damage; or
- b. Pay the difference between the value of the pair or set before and after the loss or damage.

2. Parts

In case of loss or damage to any part of Covered Property consisting of several parts when complete, we will only pay for the value of the lost or damaged part.

H. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

I. Reinstatement Of Limit After Loss

The Limit of Insurance will not be reduced by the payment of any claim, except for total loss or damage of a scheduled item, in which event we will refund the unearned premium on that item.

J. Transfer Of Rights Of Recovery Against Others To Us

If any person or organization to or for whom we make payment under this Coverage Part has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and

must do nothing after loss to impair them. But you may waive your rights against another party in writing:

1. Prior to a loss to your Covered Property.
2. After a loss to your Covered Property only if, at time of loss, that party is one of the following:
 - a. Someone insured by this insurance; or
