2. Performance Standard. The Construction Manager represents and agrees that the Services performed under this Agreement will proceed with efficiency, promptness and diligence and will be executed in a competent and thorough manner, in accordance with reasonable professional standards in the field. The Construction Manager shall promptly provide notice to the PBC if it identifies any problem or issue that may affect the performance of the Services or the Project. The Construction Manager further represents that it will assign at all times during the performance of the Services the number of experienced, appropriately trained employees necessary for the Construction Manager to perform the Services in the manner required by this Agreement.

3. Failure to Meet Performance Standards. If the Construction Manager fails to comply with its obligations under the standards of this Agreement, the Construction Manager must perform again, at its own expense, all Services required to be re-performed as a direct or indirect result of that failure.

5. Compliance with Laws. In performing the Services under this Agreement, the Construction Manager shall comply with all applicable federal, state and local governmental laws, regulations, orders, and other rules of duly constituted authority applicable to the Project. Such changes, including any increase or decrease in the amount of compensation and revisions to the duration of the Services, which are mutually agreed upon by and between the PBC and the Construction Manager, shall be incorporated in a written amendment to this Agreement. The PBC shall not be liable for any changes absent such written amendment of this Agreement.

9. Ownership of Documents. All documents, data, studies and reports prepared by the Construction Manager or any party engaged by the Construction Manager, pertaining to the Project and/or the Services shall be the property of the PBC including copyrights.

In addition, PBC shall have the right, at any time and from time to time, with or without cause, to suspend the performance of the Services by the Construction Manager with respect to all or any part of the Services by providing written notice to the Construction Manager. Termination or suspension shall not relieve the Construction Manager of liability for the performance of any obligation performed or to have been performed on or before the effective date of termination or suspension. PBC agrees to pay to the Construction Manager in accordance with this Agreement all compensation and reimbursement due to the Construction Manager for periods up to the effective date of the termination or suspension.

11. Time Is Of The Essence. Time is of the essence for this Agreement.

12. No Waivers. Any failure by the PBC to enforce any provision of this Agreement shall not constitute a waiver of the provision or prejudice the right of the PBC to enforce the provision at any subsequent time.

ADDITIONAL INSURED – AUTOMATIC STATUS AS REQUIRED BY CONTRACT – BLANKET

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Any person or organization that you are required by written contract to include as an additional insured on this policy if the contract is executed prior to the loss.

- A. Who is an Insured (Section II) is amended to include as an insured any person or organization shown in the above SCHEDULE (called additional insured), but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" arising out of your premises or your operations for the additional insured, and only to the extent and for the minimum limits required in the written contract.
- B. The insurance provided to the additional insured is subject to the following limitations:
1. Unless required by written contract, this insurance does not apply to "bodily injury" or "property damage" occurring after "your work" for the additional insured has been completed or after that portion of "your work" out of which the "bodily injury" or "property damage" arises has been put to its intended use by any person or organization, whichever occurs first.
 2. Unless specifically required by written contract, this insurance does not apply to "bodily injury" or "property damage" arising out of the sole negligence, act or omission of the additional insured.
 3. This insurance does not apply to "bodily injury", "property damage" or "personal and advertising injury" for which the additional insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement except to the extent that the additional insured would have been obligated to pay such damages in the absence of the contract or agreement.
 4. This insurance does not apply to "bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering or failure to render any professional services by any insured or on any insured's behalf, including:
 - a) The preparing, approving or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders, drawings or specifications; and
 - b) Supervisory, inspection, architectural or engineering services.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of, or the failure to render, any professional architectural, engineering or surveying services.
 5. This endorsement shall not apply to a person or organization if any other additional insured endorsement attached to this policy specifically applies to that person or organization.
 6. The insurance afforded herein only applies to the extent permitted by applicable state law, including statutes governing additional insured coverage in the construction industry.
 7. The insurance afforded to the additional insured shall not exceed the minimum limits required in the written contract.
- C. In no event shall the insurance provided to the additional insured exceed the scope of coverage, including minimum limits, required by the contract. If a written contract or agreement requires that additional insured status be provided by the use of specified edition dates of the ISO CG2010 and/or CG2037, then the terms of that endorsement are incorporated into this endorsement as respects such additional insured and shall supersede the coverage grant and limitations in Sections A. and B. of this endorsement. In the event that CG2010 and/or CG2037 are required but no edition dates are specified, the 04/13 editions shall apply.
- D. This insurance is excess to any other insurance, whether primary, excess, contingent or on any other basis, available to the additional insured unless a written contract requires that this insurance be primary or primary and non-contributing. However, this insurance is always excess to other insurance, whether primary, excess, contingent or on any other basis, when the additional insured has been added to the other insurance as an additional insured.
