MEMBERS OF THE PUBLIC BUILDING COMMISSION OF CHICAGO BOARD OF COMMISSIONERS

RE: Recommendation for Adoption of Illinois Department of Transportation's Pre-qualified Pool of Prime (Construction) Contractors

Honorable Chairman and Commissioners:

The Public Building Commission (PBC) seeks to adopt, all Illinois firms, and as updated, the Illinois Department of Transportation's (IDOT) pre-qualified list of Prime (Construction) Contractors.

IDOT prequalifies Prime (Construction) Contractors in multiple transportation categories of service. Prequalification is based on the firm's and the individual's professional experience and qualification.

IDOT's prequalification process is guided by Title 44 Illinois Administrative Code Section 650. Firms are evaluated based on several factors, including, but not limited to, a firm's ability to perform the work, the firm's experience, the firm's equipment, and the firm's capacity to perform the work. As IDOT routinely completes projects relying on this pool, the PBC believes IDOT has completed the due diligence required to appropriately assess and evaluate the capabilities of firms providing Construction Services. The PBC may elect to adopt the same terms and conditions as IDOT where appropriate and/or required, Moreover, adopting IDOT's pre-qualified list promotes intergovernmental efficiency.

The firms listed on the attached report have been found to be eligible as noted by IDOT, and the PBC seeks to adopt these firms to participate on upcoming PBC projects.

Accordingly, this recommendation is respectfully submitted for your consideration.

Sincerely,

Lori Ann Lypson
Chief of Staff
