The meeting was called to order by Chairman Lightfoot, and the presence of a quorum was established.

Following the roll call, the Commissioners were advised that there were no speakers who had registered for the public participation period pursuant to Section 2.06(g) of the Open Meetings Act.

Next, Chairman Lightfoot presented to the Board for consideration of approval the minutes of the Rescheduled Board Meeting held on March 16, 2021. The reading of said minutes, which had previously been distributed, was dispensed with and upon motion duly made and seconded, the minutes of the March 16, 2021 meeting were unanimously approved.

Commissioner Maldonado then presented a report by the Administrative Operations (AO) Committee regarding its virtual meeting held on May 12, 2021 which is summarized as follows:

The Executive Director reported on the bid opening for the Belmont Cragin Elementary School Project and will provide details during her presentation.

The Chief of Staff reported on four task orders awards, that include three Minority or Women Business Enterprise firms, for Specialty Consultant and Architect of Record Services, to previously appointed firms. She also reported on Construction Manager and Design Build Guaranteed Maximum Price (GMP) Reports on various projects.

The Chief of Staff reported on the PBC's proposed adoption of IDOT's prequalified lists for Engineering, Architectural and Professional Services Consultants and Prime Construction Contractors. Additionally, there were recommendations for Architect of Record appointments for the Engine Company 1 Renovation Project and the Pershing Road Building Upgrade (Central/West/East) Projects.

Finally, the Chief of Staff reported on a recommendation to approve amendments for Architect of Record Services to STL Architects, an MBE firm, for work at the Edwards Elementary School Annex Project in amount of \$71,356 and to Wight and Company in the amount of \$404,560 for design services at the 9th District Police Station Renovation Project. The amendment report is included under tab A4e.

The Chief Development Officer reported on Field Orders issued and provided a recommendation to ratify Change Orders that were processed since the last board meeting. Additionally, the approval of Change Orders for projects under tab A4f., as follows:

- Change Orders for Liquidated Damages assessed in the credit amount of (\$50,512.80) at the Lake View High School Renovation Project, in the credit amount of (\$92,665.10) at the Sheridan Elementary School Annex Project, and in the credit amount of (\$123,359.17) at the Ebinger Elementary School Annex Project. Next, the Executive Director provided a report to the Commissioners regarding the adoption of the Illinois Department of Transportation's (IDOT) pool of prequalified Engineering, Architectural and Professional Services Consultants for various projects undertaken by the Public Building Commission for the City of Chicago. She advised the Commissioners that IDOT's prequalification list is determined based upon professional experience and qualifications and includes firms that have demonstrated an ability to provide professional personnel, a past record of successful performance, a willingness to meet time requirements and other qualification-based criteria deemed appropriate by IDOT based upon its adherence to state statutory requirements. IDOT routinely completes projects relying on the prequalified firms and has demonstrated due diligence in reviewing the qualifications of the prequalified firms. IDOT updates the pool of prequalified firms from time to time based upon current qualification-based criteria as determined by IDOT. The list includes a total of 307 firms of which 107 are Minority or Women Business Enterprise firms. Moreover, adopting IDOT's prequalified pool of professional services providers promotes intergovernmental efficiency and cooperation. Upon motion duly made, and seconded, the following resolution was adopted:

RESOLUTION NO. 8575

BE IT RESOLVED that the Board of Commissioners of the Public Building Commission hereby approves the adoption of IDOT's pre-qualified pool of Engineering, Architectural and Professional Services Consultants in multiple transportation categories for projects to be undertaken by the Public Building Commission of Chicago, as indicated on the list attached to the minutes of this meeting as **Exhibit "D"** entitled, "Illinois Department of Transportation Pre-

Qualified Pool of Engineering, Architectural, and Professional Services” as such Pool may be updated by IDOT from time to time.

Commissioners voting in the affirmative:

Chairman Lori E. Lightfoot, Olga Camargo,

The Executive Director then provided the Commissioners with a report regarding the adoption of the Illinois Department of Transportation’s (IDOT’s) pool of prequalified Prime Construction Contractors for various projects to be undertaken by the Public Building Commission on behalf of the City of Chicago. She advised the Commissioners that IDOT’s evaluation process is based upon several factors including, but not limited to, ability to perform the work, experience, equipment and capacity to perform the work and utilizes due diligence to appropriately assess the capabilities of firms providing construction work on IDOT projects. IDOT routinely updates the pool of prequalified firms from time to time based upon current qualification-based criteria as determined by IDOT. Moreover, adopting IDOT’s prequalified pool of prime construction contractors promotes intergovernmental efficiency and cooperation.

Upon motion duly made, and seconded, the following resolution was adopted:

RESOLUTION NO. 8576

BE IT RESOLVED that the Board of Commissioners of the Public Building Commission hereby approves the adoption of IDOT’s pre-qualified pool of Prime (Construction) Contractors for projects to be undertaken by the Public Building Commission of Chicago, as indicated on the list attached to the minutes of this meeting as **Exhibit “E”** entitled, “Illinois Department of Transportation Pre-Qualified Pool of Prime (Construction) Contractors” as such pool may be updated by IDOT from time to time.

Commissioners voting in the affirmative:

Chairman Lori E. Lightfoot, Olga Camargo,
James F. Ellis, Jr., Avis LaVelle,
Jose G. Maldonado, Jr., Toni Preckwinkle,
Arnold Randall, Samuel Wm. Sax,
Mariyana Spyropoulos and David Todd Whittley – 10

Commissioners voting in the negative:

The next item on the agenda was a report by Executive Director Sánchez regarding regular reports, development status and other matters. She provided the Commissioners with the Q2, 2021 Quarterly External Newsletter entitled, *Constructive News You Can Use*. This issue focused on the delivery of the newly renovated Legler Regional Library, the recently-completed Engine 115 and the positive effects of such projects on their respective communities. In this issue, community hires were highlighted who, in their own words, explained what it meant to work on public facilities that have a positive impact in their own neighborhood. The development process for both projects included incorporating minority and women journey workers, apprentices and laborers into the construction process. To date, 17 African American owned design and construction firms, seven Latino owned construction firms and five women owned business, representing more than \$14M of the total project, worked on the completion of the Engine Company 115 project. In addition, 15 community residents, representing a variety of trades, added their expertise to the Engine Company 115 project while 20 community residents were employed at the Legler Branch Library Project.

The current issue of the PBC Newsletter also spotlighted Stephanie Hickman, President and Chief Executive Officer of Trice Construction, who was a partner in the African American

led design build team of UJAMMA/Trice Joint Venture and Brooks Architecture, that helped to build the largest fire house ever built in Chicago.

The Executive Director also advised the Commissioners that a 2019 PBC Project, Englewood STEM High School, received the Spring 2021 Leaning By Design Magazine Architectural Award. This award recognizes the design team for outstanding work on this modern high-quality neighborhood high school campus.

Finally, it was noted by the Executive Director that PBC was awarded the Certificate of Achievement for Excellence in Financial Reporting by the Government Finance Officers Association (GFOA) for the PBC's Comprehensive Annual Financial Report for fiscal year ended December 31, 2019. The Certificate of Achievement is the highest form of recognition in governmental accounting and financial reporting. The Executive Director extended appreciation to the PBC Audit Committee and to the PBC team for outstanding work on the report.

Following discussion and comment, the Executive Director's report was accepted.

The next item on the agenda was consideration of approval to award Contract #1599 for the Belmont Cragin Elementary School located at 6112 West Fullerton Avenue to Sollitt/Sachi Joint Venture. Five (5) sealed bids were received from duly pre-qualified Class A general contractors deemed eligible to bid as a result of the bid solicitation. Upon motion duly made and seconded, the following resolution was adopted:

RESOLUTION NO. 8577

WHEREAS, pursuant to bid solicitations from duly pre-qualified Class A Prequalified general construction firms, the Public Building Commission of Chicago received the following bids for Contract No. C1599, Belmont Cragin Elementary School located at 6112 West Fullerton Avenue, copies of which bids and contract documents are on file with the Commission:

The next item on the agenda was consideration of approval of a request by the Board of Education for the Public Building Commission to transfer title to the former Buckingham School located at 9207 South Phillips Avenue to the City of Chicago. The Commissioners were advised that the Board of Education approved by Board Report No. 21-0324-OP1 at its meeting on March 24, 2021 the transfer of title and possession to the City of Chicago for economic and social development purposes. The subject property is no longer needed for school purposes and will be transferred in “As Is” condition. The deed shall provide that the Board of Education and the Public Building Commission will be released and discharged from any and all responsibility or liability with respect to the property’s physical, structural or environmental condition. Further, property will not be used as a K-12 Charter School. Upon motion duly made and seconded, the following resolution was adopted:

RESOLUTION NO. 8578

BE IT RESOLVED that the Board of Commissioners of the Public Building Commission hereby approves the request by the Board of Education to transfer title and possession of the property commonly known as 9207 South Phillips Avenue, and legally described as follows, to the City of Chicago for economic and social development purposes:

Property: Former Kate S. Buckingham School

Street Address: 9207 South Phillips Avenue, Chicago, Illinois

MEMBERS OF THE PUBLIC BUILDING COMMISSION OF CHICAGO BOARD OF COMMISSIONERS

RE: Recommendation for Adoption of Illinois Department of Transportation's Pre-qualified Pool of Engineering, Architectural, and Professional Services Pool

Honorable Chairman and Commissioners:

The Public Building Commission (PBC) seeks to adopt, all Illinois firms, and as updated, the Illinois Department of Transportation's (IDOT) pre-qualified list of Engineering, Architectural, and Professional Services Consultants.

IDOT prequalifies architectural, engineering, and surveying consultants in multiple transportation categories of service. Prequalification is based on the firm's and the individual's professional experience and qualification.

IDOT's prequalification process is guided by state Statute (30 ILCS 535) and includes firms who have demonstrated an ability to provide professional personnel, a past record of successful experiences, a willingness to meet time requirements, and any other qualifications-based factors the State agency may determine in writing are applicable to various projects. As IDOT routinely completes projects relying on this pool, the PBC believes IDOT has completed the due diligence required to appropriately assess and evaluate the capabilities of firms providing Engineering, Architectural, and Professional Services. The PBC may elect to adopt the same terms and conditions as IDOT where appropriate and/or required. Moreover, adopting IDOT's pre-qualified list promotes intergovernmental efficiency.

The firms listed on the attached report have been found to be eligible as noted by IDOT, and the PBC seeks to adopt these firms to participate on upcoming PBC projects.

Accordingly, this recommendation is respectfully submitted for your consideration

Sincerely,

Lori Ann Lypson
 Chief of Staff

MEMBERS OF THE PUBLIC BUILDING COMMISSION OF CHICAGO BOARD OF COMMISSIONERS

RE: Recommendation for Adoption of Illinois Department of Transportation's Pre-qualified Pool of Prime (Construction) Contractors

Honorable Chairman and Commissioners:

The Public Building Commission (PBC) seeks to adopt, all Illinois firms, and as updated, the Illinois Department of Transportation's (IDOT) pre-qualified list of Prime (Construction) Contractors.

IDOT prequalifies Prime (Construction) Contractors in multiple transportation categories of service. Prequalification is based on the firm's and the individual's professional experience and qualification.

IDOT's prequalification process is guided by Title 44 Illinois Administrative Code Section 650. Firms are evaluated based on several factors, including, but not limited to, a firm's ability to perform the work, the firm's experience, the firm's equipment, and the firm's capacity to perform the work. As IDOT routinely completes projects relying on this pool, the PBC believes IDOT has completed the due diligence required to appropriately assess and evaluate the capabilities of firms providing Construction Services. The PBC may elect to adopt the same terms and conditions as IDOT where appropriate and/or required. Moreover, adopting IDOT's pre-qualified list promotes intergovernmental efficiency.

The firms listed on the attached report have been found to be eligible as noted by IDOT, and the PBC seeks to adopt these firms to participate on upcoming PBC projects.

Accordingly, this recommendation is respectfully submitted for your consideration.

Sincerely,

Lori Ann Lypson
 Chief of Staff
