2. Performance Standard. The Construction Manager represents and agrees that the Services performed under this Agreement will proceed with efficiency, promptness and diligence and will be executed in a competent and thorough manner, in accordance with reasonable professional standards in the field. The Construction Manager shall promptly provide notice to the PBC if it identifies any problem or issue that may affect the performance of the Services or the Project. The Construction Manager further represents that it will assign at all times during the performance of the Services the number of experienced, appropriately trained employees necessary for the Construction Manager to perform the Services in the manner required by this Agreement.

3. Failure to Meet Performance Standards. 5. Compliance with Laws. In performing the Services under this Agreement, the Construction Manager shall comply with all applicable federal, state and local governmental laws, regulations, orders, and other rules of duly constituted authority applicable to the Project. Such changes, including any increase or decrease in the amount of compensation and revisions to the duration of the Services, which are mutually agreed upon by and between the PBC and the Construction Manager, shall be incorporated in a written amendment to this Agreement. The PBC shall not be liable for any changes absent such written amendment of this Agreement.

9. Ownership of Documents. All documents, data, studies and reports prepared by the Construction Manager or any party engaged by the Construction Manager, pertaining to the Project and/or the Services shall be the property of the PBC including copyrights.

10. Termination or Suspension. In addition, PBC shall have the right, at any time and from time to time, with or without cause, to suspend the performance of the Services by the Construction Manager with respect to all or any part of the Services by providing written notice to the Construction Manager. Termination or suspension shall not relieve the Construction Manager of liability for the performance of any obligation performed or to have been performed on or before the effective date of termination or suspension. 12. No Waivers. Any failure by the PBC to enforce any provision of this Agreement shall not constitute a waiver of the provision or prejudice the right of the PBC to enforce the provision at any subsequent time.
